ASHLAND PUBLIC LIBRARY NEWSLETTER

We are Open!

Welcome Back!!

The Ashland Public Library will be opening its doors on September 14th at 11 am. We are not opening to our full capacity yet but are happy to welcome back our patrons. We will still be providing Curbside service for those who do not feel safe entering the library.

Please limit your visit to 60 minutes as the library is at a limited capacity at this time.

At this time meeting rooms and our smaller conference rooms will not be available for use.

The computer lab will be closed. We will have 3 computers for internet and printing, which will have a time limit of 30 minutes.

All patrons who use the library do so at their own risk. The sanitation of every item and surface cannot be guaranteed. The Ashland Public Library reserves the right to modify these restrictions based on health care directives from the Governor's Office, Three Rivers Public Health Department, and/or the City of Ashland. The library appreciates the understanding and patience of the public as it transitions to reestablishing fuller services.
