

Alice's Club

In honor of Alice J. Anderson,
a dedicated educator and librarian
at the Ashland Public Library

Alice J. Anderson believed in how education could empower a person. She lived these words, not just as a speech therapist in the Ashland school district, nor as a part-time librarian at the Ashland Public Library, but as a mother and a friend. To honor her dedication to her passion, we have established Alice's Club.

Alice's Club encourages donors to help construct a new building for the Ashland Community Resource Center. Alice lived to inspire others, and now Alice's Club can inspire individuals and businesses to help us raise the remaining one-third of the funds we need to finish this important project. We hope that you will be our newest member!

Benefits

Alice's Club recognizes donors of \$10,000 or more with special recognition at the resource center with a thank you reception to be held with Astronaut Clayton Anderson. Membership payment may be made over two years.

The Raikes Foundation Matching Donation

With a generous donation from the Raikes Foundation, every dollar donated to Alice's Club will be matched 1:1. This doubles whatever you give!

Extra Incentive!

To provide an extra incentive, the Ashland Community Resource Center will offer \$1,000 worth of state tax credit to each of the first 25 individuals or businesses who become a member of Alice's Club. This tax credit is made possible by the NE Dept. of Economic Development which has accepted Ashland Community Resource Center as eligible for this special incentive through the Community Development Assistance Act.

Here's how it would work:

Example of CDAA tax credit benefits*

\$10,000 contribution to a CDAA project (The Ashland Community Resource Center)

- \$1,000 state tax credit (CDAA tax credit distributed by the ACRC)
- \$3,400 state and federal tax savings as a result of contribution
- \$5,600 net contributor investment

**This may change depending on your tax category. For more information about CDAA, go to: <http://www.neded.org/content/view/97/227/>*

Send your payment to:

Ashland Community Resource Center, PO Box 185, Ashland, NE 68003

If you have any questions about Alice's Club or The Ashland Community Resource Center, please contact: (402) 944-3316 (Bob Fricke at Farmers & Merchants Bank).

Your contribution is tax-deductible as described on your receipt and to the extent allowed by law.
