CCPL will provide *information and reference services* which are accurate and current.

CCPL will provide *access to resources beyond its own facilities* through interlibrary loan and cooperative arrangements with other libraries, agencies and organizations at the local, regional, and state levels.

CCPL will provide *exceptional library staff* committed to our service culture and philosophy.

CCPL will provide special *literary and cultural programs* to enrich the community and to encourage use of the library facility.

CCPL will provide an *adequately equipped, accessible library*, and reading room facilities.

CCPL will provide *opportunities for people to meet, exchange ideas, and participate* in the life of their community.

In pursuing this Vision, Central City Public Library will uphold the public's freedom of access to knowledge and will recognize its responsibility to provide a full range of public library services.
