### The Life and Legacy of Annie Oakley

She was described as the "greatest woman rifle shot." A star attraction of Buffalo Bill's Wild West Show, Oakley thrilled audiences around the world with her daring shooting feats. A champion in a man's sport, she changed ideas about the abilities of women in the 19th century. Her fame and fortune came from her skill with guns. Endorf's presentation dispels myth to reveal the real Annie Oakley.

***Book Discussion***

**of the #1 NYT best selling  
book "The Book Thief"**

**by Marcus Zusak**

It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time.
