

Exploding Boomerangs (aka The Fox Mask)

1. Place the green stick on top of the blue stick at about a 45-55 degree angle.
2. Take the yellow stick and place it on the other end of the blue stick with the opposite end resting on the center of the green stick.
3. Tuck the red stick underneath the blue stick (but still on top of the yellow stick).
4. Tuck the other end of the red stick under the end of the green stick.

Cross-Bars (aka The Tree)

1. Right stick.
2. Left stick over.
3. Center stick over both side sticks. ***Overlap the sticks as close to the edges as possible for the best exploding action!***
4. Weave a stick (orange) perpendicular to the center stick (red). Under-over-under. Hold the 3 top sticks in place until you get the next stick on.
5. Then weave the next stick (purple). Over-under-over. All 5 sticks should hold together now.

Variation #3 (aka The Snowflake)

Same as variation 1, with crossed middle sticks.
