

*"A book is like a garden  
carried in the pocket."*

*~ Chinese proverb ~*

### MEMORIAL AND HONOR BOOKS

Monetary gifts for the purchase of books or other library materials are gratefully accepted. To make a gift to the library for the purchase of materials in honor of a friend or loved one or to celebrate a special occasion like a birthday or anniversary, please stop by the Library and request the gifts and donations form .

### CASH GIFTS

Gifts of substantial cash offerings, securities, bequests, or real property will be handled by the Director, who, with the Board of Trustees, will work out terms of acceptance compatible with Library policies, the donors intent, and applicable laws.

### BOOK AND MATERIAL DONATIONS

The Library welcomes donations of most books and audiovisual items in good condition. Materials will be added to our collection if they are needed and meet the criteria of the collection development policy. Other materials will be sold at our ongoing book sale, given to other libraries, or discarded. Once a gift is accepted by the library, it will not be returned to the donor.

Gift collections will be accepted by the Director, with the understanding that the collection may not be kept intact. Gift periodical subscriptions will be evaluated to determine their suitability for adding to the collection.

The Library is very interested in receiving donations of materials documenting Dodge, Colfax, and Cuming County history.

### FOR TAX PURPOSES

The Library will, if requested, provide a written acknowledgement of gifts. In accordance with income tax regulations, the library will leave the determination of a donation value to the donor.
