

Franklin Public Library

Gifts/Memorials Policy

(Adopted 04/02/1992)
(Revised 08/23/2010)

Unrestricted gifts of money, lands, or property will be gratefully accepted by the Library Board. Restricted gifts or bequests will be reviewed by the Board before acceptance or rejection.

The library accepts gifts of suitable books and other materials on the conditions that the Library Director has final discretion as to their use. Materials donated to the library and items given as memorials must meet the same standards as other materials selected for inclusion in the library's collection.
