On Your Mark, Get Set, READ! was the theme of the 2016 Summer Reading Program. The program kicked off May 26th with Mad Scientist, Mr. Jim Birkel's presentation "Go, Go, Go with Mad Science!" Regular Story Time was held the following three Thursdays, led by Taelyn Pritchard. Reading logs were distributed weekly, small prizes were awarded for completion. Franklin County Extension hosted a 4-H Summer Reading Program on Fridays in conjunction with the library's program. Rhonda Herrick and Katrina Christiancy, along with volunteers, lead the lessons which focused on leading a healthy lifestyle. The Summer Reading Program concluded with a Closing Celebration on Tuesday, July 21st. Children participated in a scavenger hunt in the park, hot dogs were served, and sports themed prizes were given away. The Library is thankful for the numerous volunteers, parents and caregivers who make reading a priority for the children of the Franklin community!
