More

Use your phone camera to scan an item barcode and search

View curated library collections

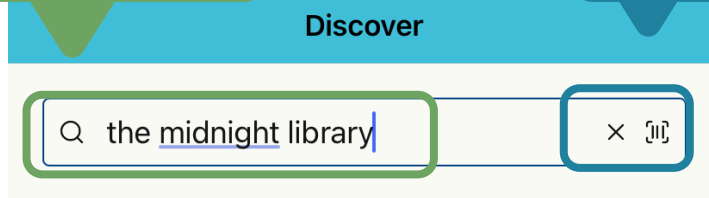

Manage the collections you see on your Discover screen

Navigate to other areas of the app

# Search & Filter

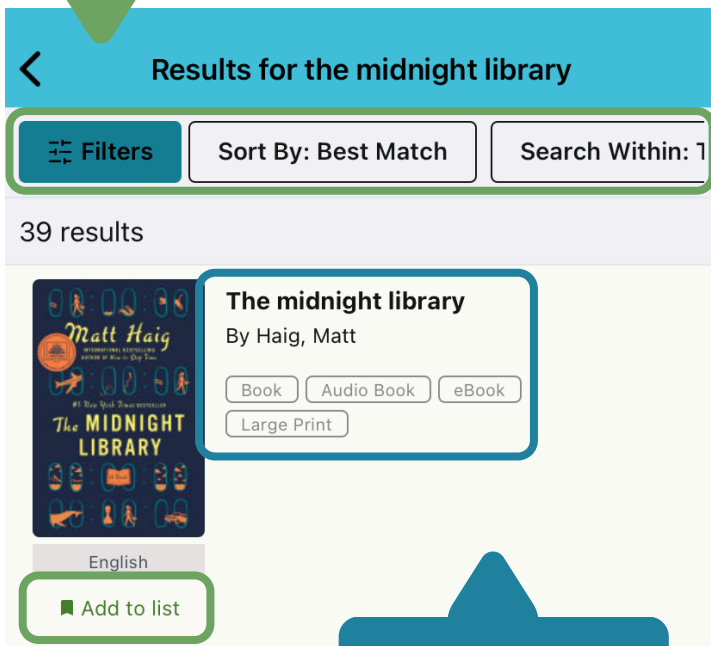

Begin your search with a keyword

Or use your phone camera to scan an item barcode and search

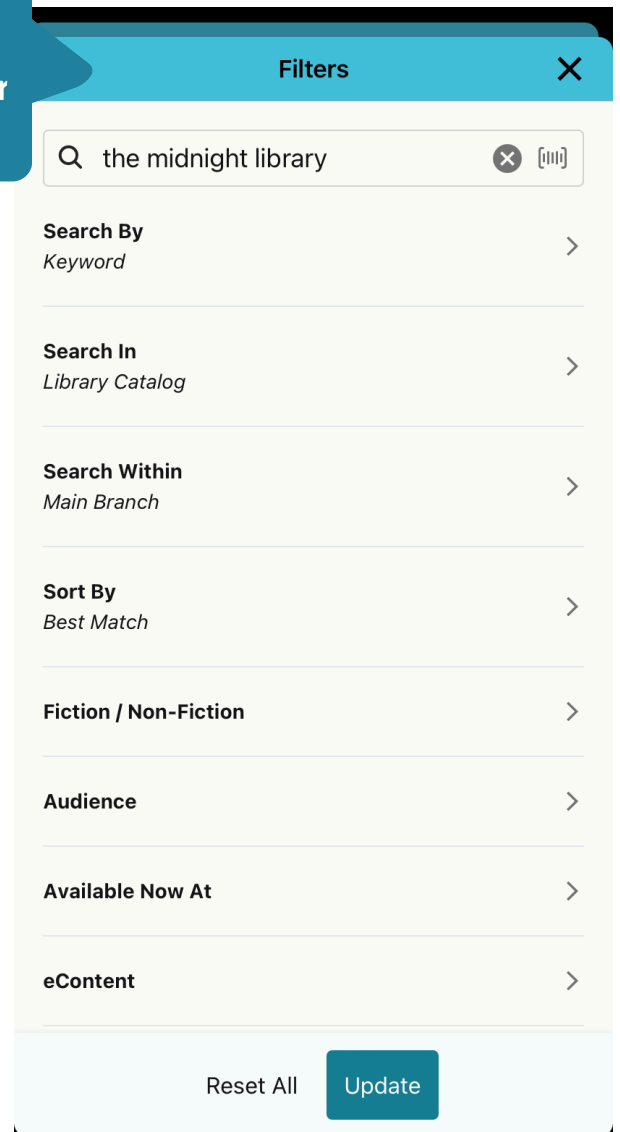

Tap to see additional filters, sorting options, or search within other collections

Apply any filters to narrow your search

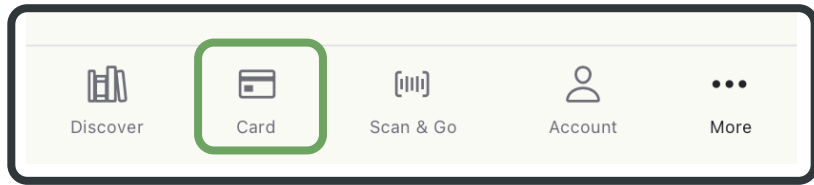

Add title to a list

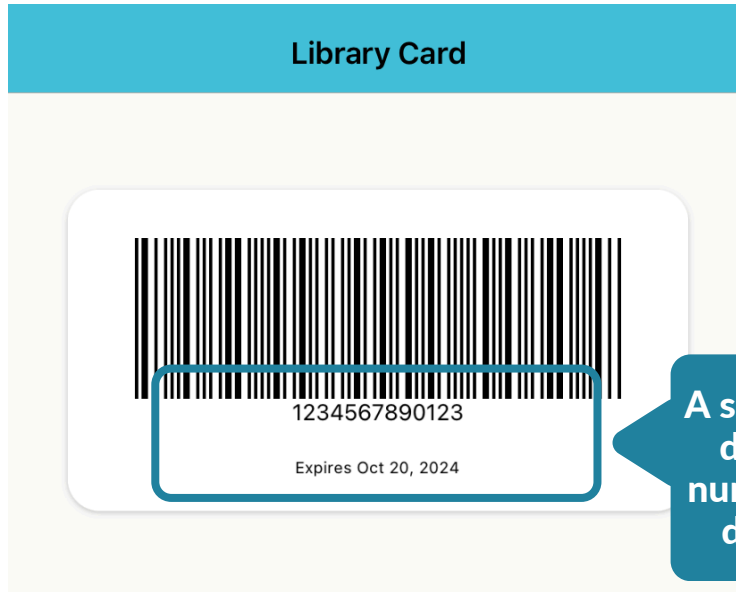

Tap on the record for more details and to place a hold

# Library Card

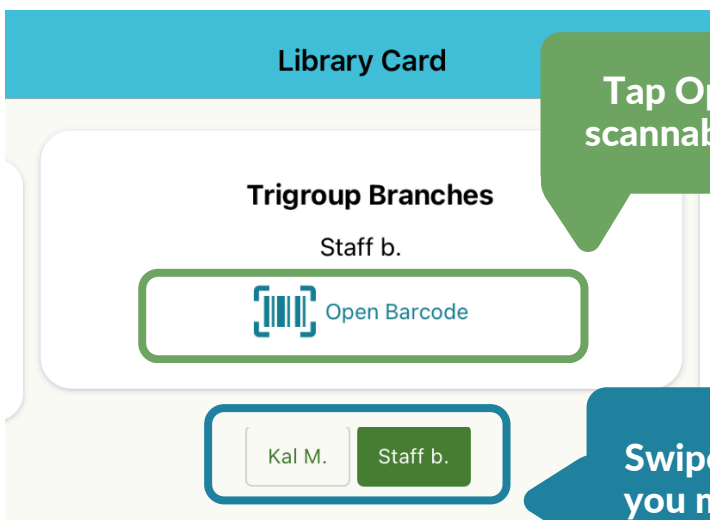

Tap on Card to view your scannable library barcode. Brightness will automatically adjust.

A scannable library card will display. The library card number and card expiration date will also be visible.

# Card – Linked Accounts

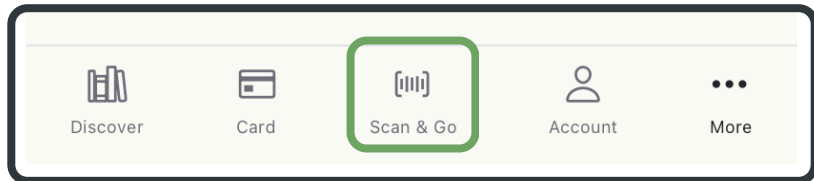

Tap Open Barcode for a scannable barcode pop up

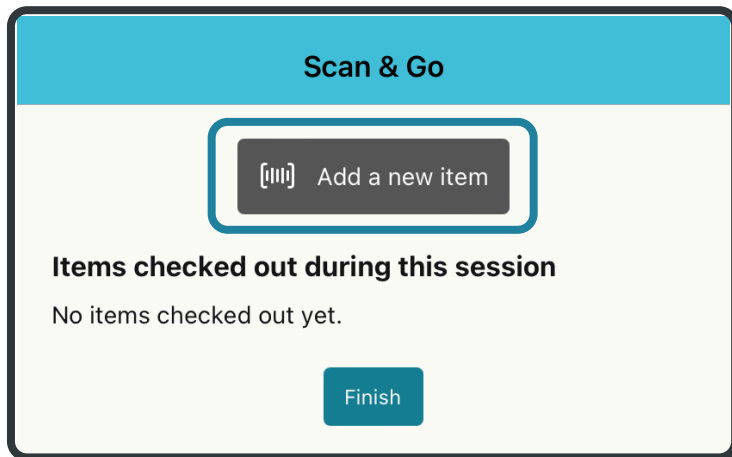

Swipe through any accounts you may have connected via Linked Accounts

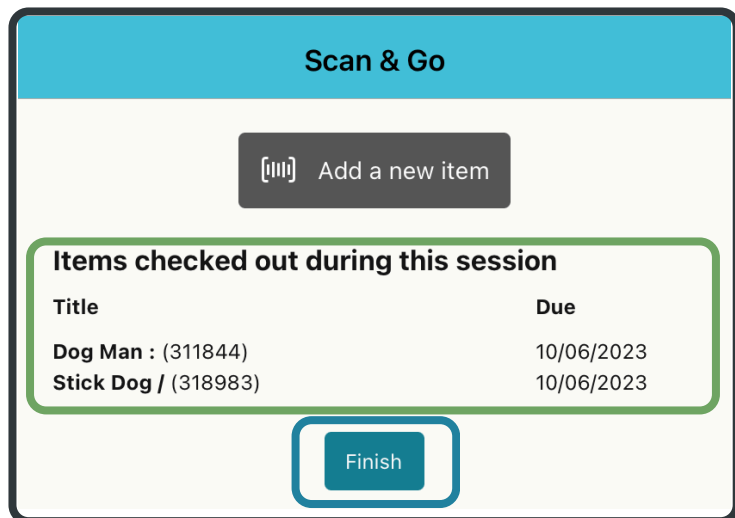

# Scan & Go

Tap Scan & Go along the bottom of the app to check out items from the library.

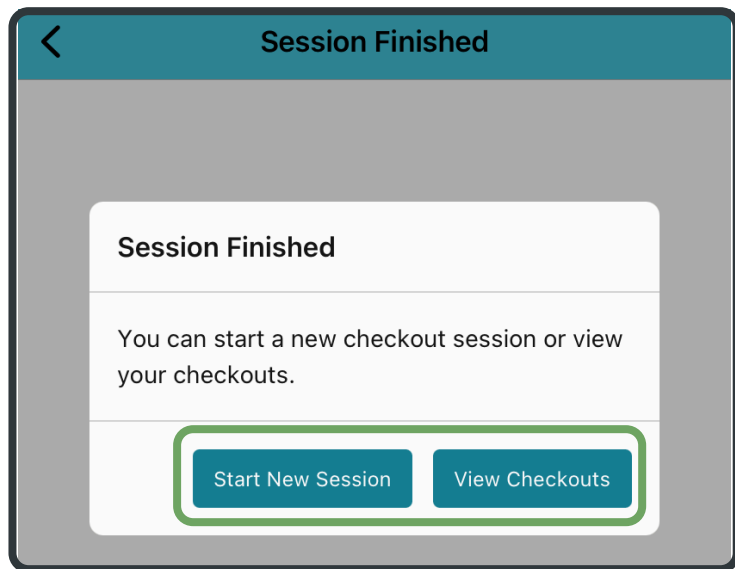

Tap Add a new item and use scanner to scan the library barcode of the item

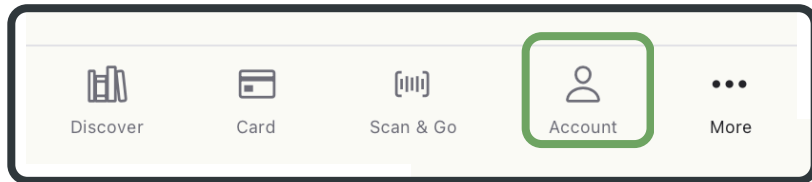

Continue adding items. Checked out items in this session will display on a list.

Tap Finish when you are done checking out.

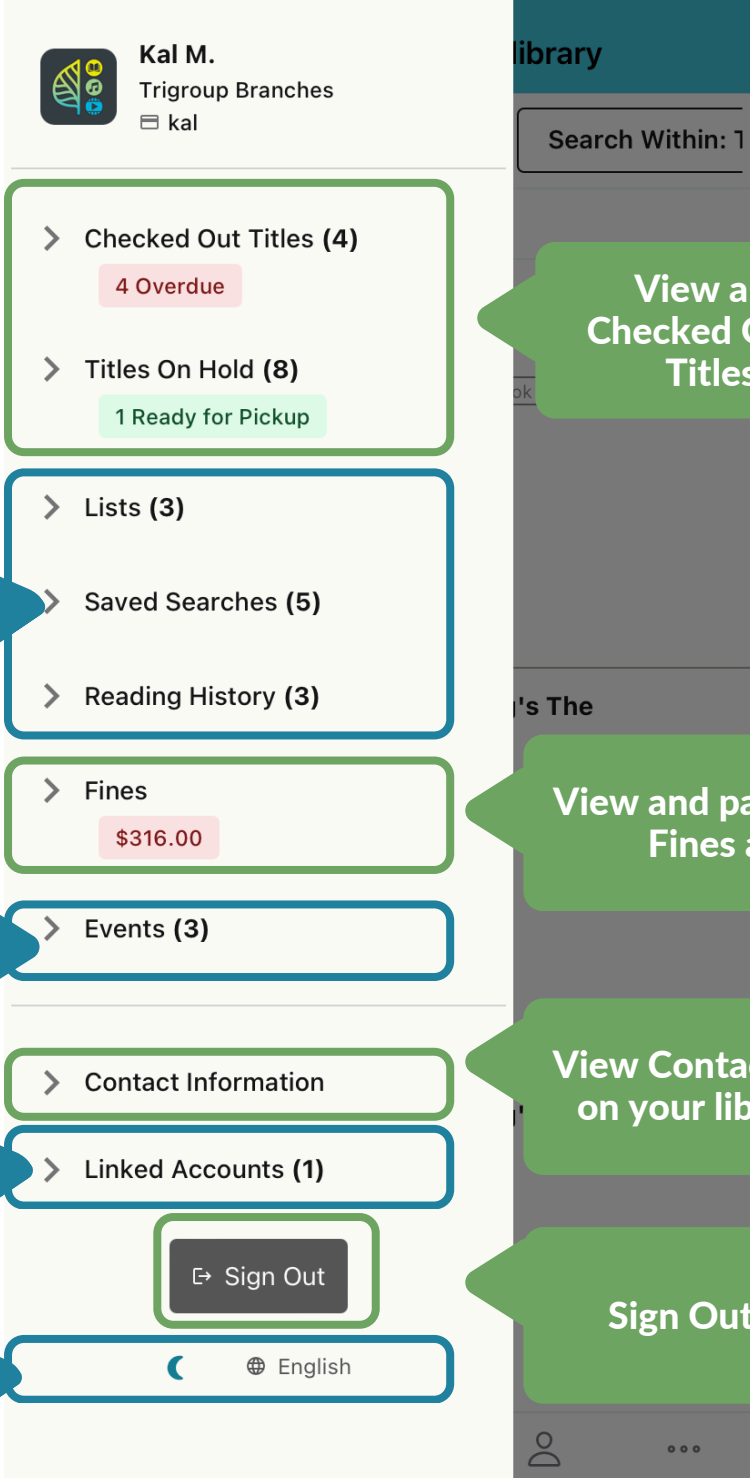

Either Start a New Session or tap View Checkouts to see all checked out titles

# Account

Tap on Account along the bottom of the app to pop out the Account drawer

View and manage Checked Out Titles and Titles on Hold

View and Manage:

- Lists
- Saved Searches
- Reading History

View saved events

Link to or view other library accounts that you manage

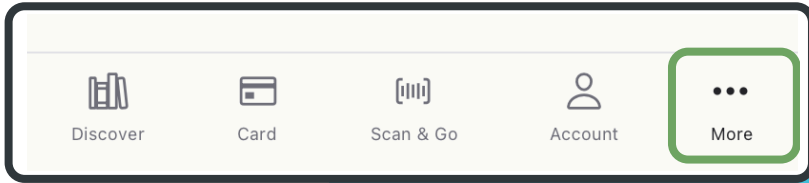

Modify your language and display preferences (ex: Dark Mode)

View and pay outstanding Fines and Fees

View Contact Information on your library account

Sign Out of the app

# More

Tap More along the bottom of the screen to navigate to additional options

## More
