*Child DVD Checkout (age 14 and under)

By default, children under the age of 14 are not allowed checkout of DVDs.

Those between ages 9-14 may be given DVD borrowing privileges when given permission by parent/guardian. This privilege will allow the child to borrow 2 DVDs at a time. Children will not be allowed to check out R-rated movies. Beyond these restrictions, library staff is NOT responsible for the choice of movies checked out by the child.

All fines and fees are applicable to a Child card just as they are with an Adult card (overdue: \$1/day). If lost or damaged, the full replacement cost will be assessed.

Guidelines for Public Internet, WiFi, and Computer Use at JML, and User Agreement

1. Computers are available on a first-come, first-served basis. Individuals are asked to be respectful of others waiting to use our electronic resources. No more than two (2) people may use a computer station at one time.
2. Users must have a current library card free outstanding fines and/or fees; OR provide a picture ID and sign the Visitor log for use of all public desktop computers and for wireless (WiFi) connection use.
3. Printing can be done from the desktop computers. Fees for printing are: \$.20/page for black & white, \$1.00/page for color, including taxes. Printouts are received and paid for at Service Desk. Users are encouraged to use the Print Preview function to avoid printing unwanted pages.
4. Not all sources on the Internet provide accurate, complete or current information. Although the library computers are filtered to some degree, the Library cannot be held responsible for unblocked content and assumes no responsibility for any damages and/or incorrect information arising from the use of Internet services.
The Library has several software programs installed on the desktop computers for your convenience. **Downloading of any other software programs on library computers is strictly prohibited.**
5. Users with their own wireless-enabled devices may access the WiFi provided by the library during business hours, which is also filtered. Desktop computers and WiFi may not be used for **unauthorized, illegal or unethical purposes including downloading or sharing of copyrighted materials.**
Patrons that do not abide by the conditions set forth in this agreement will be denied computer and WiFi use and may lose all library privileges if an offense is serious enough to warrant such action. Loss of library privileges and the length of said loss are up to the discretion of the Library Director.
6. Users less than **14 years of age** will be required to have a parent or legal guardian present with them at all times while using public computers.
