

Intent to Cooperate Policy

1. Purpose Statement

The Lexington Public Library shall cooperate with local agencies, as well as other libraries and other library-centric and educational entities.

2. Key Guidelines

- A.** The Lexington Public Library will cooperate with community agencies and organizations by providing seminars, workshops, demonstrations, or cooperative events as requested. The library will also be the source of educational and informational materials for community agencies.
- B.** The Library Director will serve as the liaison to the Dawson County Interagency Council and attend meetings when possible.
- C.** The Lexington Public Library will cooperate with and maintain a relationship with the Lexington Public Schools, Central Community College, and any other educational organization.
- D.** The Lexington Public Library will cooperate with all types of libraries in the state of Nebraska, the State Regional Library Systems, the Nebraska Library Association, and the Nebraska Library Commission.
- E.** The Library Director and the Board of Trustees will be alert to opportunities of cooperation to strengthen the resources and services of the Lexington Public Library.
