

It's time for the Summer Reading Program!

This years theme is A Universe of Stories! We will have an activity every Monday in June and July (except July 1st) from 1:00 to 2:30 p.m. for school age kids as well as story time Wednesday mornings at 10:00 for preschool kids ages 3-5 (we ask that a parent/ adult please accompany preschoolers... though parents are ALWAYS welcome). Registration starts the last day of school. Call the library with any questions at 761-2937.

PRIZES ARE LIMITED. FIRST COME FIRST SERVE.

A Note From the Library

George here. I was looking at the artwork we've been putting together since I started as Director of the Webermeier and it occurred to me this will be the 12th Summer Reading Program of which I've been in charge.

We've made so many changes over the years, I think back to what things were like when I started and it hardly seems like the same place.

This year we still have the City Offices in our old community room, so some of the things we've done in the past are out, but we're trying some new things we hope you'll like. The Breakout Sessions involve solving puzzles to open locks. The seed bombs connect to our new landscaping project, as we are working toward recognition as a pollinator habitat. With a little luck by the time Summer begins we'll have something to show you all.

Out of City Limits Kids

If you live outside of the City Limits and want to participate in the Summer Reading Program we offer a temporary free membership during the Summer break. The Summer Reader Membership lasts until September 1st after which you can choose to renew the membership at the regular rate of fifteen dollars per year..

Mind you this is fifteen dollars per YEAR. If you check out three books rather than buying them the membership will have paid for itself and, to break down the cost a bit further, fifteen dollars per year = \$1.25 per month = Less than a nickel a day. Membership also comes with access to Overdrive which can be used most anywhere that you can connect to the internet.

What you need in short:

- ♦ A parent or guardian to help sign you up for a card.
- ♦ The desire to read (and get prizes for doing so!)
