COMPUTER CLASSES INFORMATION

The Word Classes in October are a series that started September 26th. The next class series will be on Excel in November on Monday evenings, Nov. 7, 14, and 21, if demand warrants a class. A minimum of 3 attendees are required to hold a class. Classes are taught in our downstairs meeting room using our Windows 7 laptop computers. The 3-class series will cost \$10.00 per person and includes a take-home handout. Class size is limited to 10 people. Pre-registration is required. Call the library to register for classes.

New Home Improvement Series

Beginning October 15, 2016 with "Preparing Your Home for Winter", a 1-2 hour monthly course will be offered to the general public on basic home improvement from 10AM-12PM. Every 3rd Saturday of the month will have a different home improvement focus. Local businesses and experts will share their tips and techniques to repair and improve your home. The general public is welcome and there is no charge for these sessions. Sponsored by Habitat for Humanity (Dalene Skates), Lincoln County Community Development Corporation (Nancy Striebel), and the North Platte Public Library (Cecelia Lawrence).

North Platte Public Library Foundation Book Basket Sale

These book themed baskets make great gifts which also support the future of the library. Volunteers have artistically created baskets based on donated books in new condition. The variety of book choices range from children's and adult fiction, gardening, cooking, and history. In each basket, books are paired with items coordinating with the title or subject. Prices range from \$6 to \$30. Tax is included in the price. Basket sales begin on October 1 and will continue until all are sold. Additional baskets will be added for the book sale on October 27-29th.
