

## SCHOLARSHIP POLICY REPUBLICAN VALLEY LIBRARY SYSTEM

The System Administrator shall be responsible for maintaining the records of the scholarship committee, including the policies, names of award recipients with scholarship amounts and the date of receipt of the award.

### TERMS OF AWARD

1. Applicants for the scholarships must be associated with a library/media center that is a member of the Republican Valley Library System;
2. A brief, evaluative report of the continuing education event will be required and scholarship recipients are encouraged to share information from the event with the library board/administrator and other staff members;
3. Applicants who have not received an RVLS scholarship will receive higher priority than those applicants who have received an RVLS scholarship within the two previous years.
4. Applications from individuals associated with a library agency (i.e. building) that has not received an RVLS scholarship within the two previous years shall receive a higher priority than those from agencies who have received an RVLS scholarship within the two previous years
5. Awards are intended to provide reimbursement for registration fees, tuition, or admission to an educational event. An amount, to be determined by the Scholarship Committee, shall be granted for each event. The amount granted shall be up to \$150 maximum per applicant for registration and mileage.
