

To earn an ice cream cone, all children must read (or have read to them) 300 pages. This averages out to be around 10 picture books or 1 to 5 chapter books depending on size. The books read must be age appropriate and must be books that have been checked out from the Sargent Township Library. There is a limit of no more than 2 ice cream cones per child throughout the months of June and July.

When a child earns an ice cream cone, they can place one entry into the box to win a bicycle. The drawing for the boy's and girl's bikes will take place on Saturday, August 3, 2013.
