

Tax Forms and Information

- As a service to the patrons of the Schuyler Public Library, it is the policy of the Board of Trustees to provide tax forms and general information to the Public.
- Library staff will assist patrons in locating the necessary forms which they need to file their income tax returns. Library staff will not recommend form(s) for patrons to use to file a tax return.
- When a patron needs a copy of a reproducible form, a staff member will assist a patron in making a copy, if asked to do so. The patron must pay the copy fee of ten cents (\$.10) per page for each copy made.
- Library staff members will not offer advice on filling out the forms or on filing tax returns.
