1958

Dedication

We, the annual staff of 1958, are happy to dedicate this annual to Howard Poss, who has worked hard and diligently to finish his high school education by correspondence. We wish every school member would work as conscientiously as he has. We are very proud of you, Howard!

Board of Education

We want to thank the school board, Leo Klein, Harry Spencer, Clarence Sixel, Laverne Jess, Fay Gillham, and Mark Wagner, for serving our school and helping us to further our education.

Senior Sneak Day

Eighteen sleepy Seniors and two sponsors left for a big day in Omaha at 4:30 Tuesday morning, March 25. After stopping in Shelby for breakfast, we went on to Boy's Town where we were taken on a tour. We ate dinner at Brandeis, and then went to Offutt Air Force Base. There we were taken around the base. When we got back to Omaha we had time to shop until 5:30. We then went to Gorates Steak House for supper. In the evening we attended the Ice Capades which we enjoyed very much. We got back to Scotia about 4:00 Wednesday morning tired but feeling that we had had a very enjoyable day.

Class History

One bright September morning in 1946, sixteen little children gazed up at the monstrous brick building and struggled to open the huge door to enter the Scotia school for the first time. These students were Gail Jensen, Jerry Carruth, Jerry Bredthauer, Frank Henke, Phyllis Malottke, Jerry Dulitz, Allan Bundy, Larry Jess, Dean Johnson, Deanna Johnson, David Karre, Deanna Beck, Janice Sorensen, Janice Boilesen, Betty Hlavinka, and Don Keep. We gained Peggy Wagner toward the end of the year. Miss Bonser was our first teacher.

At the beginning of our first grade year we gained David Ashley and Shane Layher but lost Don Keep. This year we had Mrs. Meyer for our teacher.

The world gradually increased and in the second grade Betty Hlavinka, Janice Boilesen, Shane Layher, and Allan Bundy dropped out, and we gained Rollin Mallery, Keith McCaslin, Sharon Maple, and Allan Zabloudil.

In the third grade we were joined again by Allan Bundy. This year we lost Allan Zabloudil, Sharon Maple, and Janice Sorensen. Miss Clement was our new teacher this year.

We were joined by Jeanette Rubenthaler and Don Foster in our fourth year. Again our teacher was Miss Clement.

Joyce Bengel entered our class for the only change in the fifth grade. Miss Ziegler was our teacher.

In the sixth grade we lost Don Foster, but Mary Keebaugh, Richard Davis, Bernard Schaffer, and Bill Johnson helped to increase our number. We had the same teacher, who was now Mrs. Essman.

During our seventh grade, we gained Valgene Henton, but lost Bill Johnson and Bernard Schaffer. Doris Sautter was our teacher.

The eighth grade meant hard work because we all wanted to graduate into high school. That year Gail Jensen moved away, but we were joined by Jerry Davis.

We entered high school a little frightened and were called "green freshmen" by all the upper classmen. This year we lost Mary Keebaugh and Jerry Davis. Jerry Huebner, Janis Cargill, Sharon Bremer, Dorothy Duester, and Lorena Gydesen greatly enlarged our class.

In our Sophomore year we gained Marvis Beck and lost Joyce Bengel, Valgene Henton, Keith McCaslin, and Allan Bundy.

In our Junior year we began to show more serious thoughts now that we were almost seniors. We were joined by Loren Babcock, but lost Rollin Mallery and Lorena Gydesen. Jeanette Rubenthaler and Jerry Bredthauer moved away during the year.

Beginning our twelfth and final year, Rollin Mallery is back with us, but we have lost Dorothy Duester. Out of our sixteen members who started kindergarten, only nine are now in this year's graduating class. They are Dean Johnson, David Karre, Jerry Carruth, Jerry Dulitz, Frank Henke, Larry Jess, Deanna Johnson, Deanna Beck, and Phyllis Malottke.

Class Will

We, the Senior class of 1958, in the town of Scotia, the county of Greeley, and state of Nebraska, solemnly declare this document to be the last will and testament of our class. After completing our high school days we have decided to leave behind us for safekeeping our most valuable possessions. These are:

To the teachers we leave behind the memories of a quiet, studious and ambitious class who were always willing to co-operate with all. We know that they will never again have the opportunity to work with such obedient students. May the memories of our class be with them as they struggle to gain knowledge from the oncoming classes.

To the Freshman class we leave behind the ability to come as far in this world as we have. We know by the time you are Seniors, the Scotia Termites (now the Scotia Tigers) will be the leading football team in the conference.

To the Sophomores who see all, hear all, tell all, and know nothing, we leave behind our authority which we know they are looking forward to using.

To the Juniors who will soon be filling our shoes, we want to leave behind some of our most treasured belongings.

Deanna Beck (Fifi) wills her fickle heart to Mort Kyhn and hopes that too many hearts won't be broken—especially Kathy's.

Frank Henke (Hook) wills his romantic ways to Merlin Byerly. We hope he will be as successful as Frank.

David Ashley (Dave) and Richard Davis (Daddy-O) will their love and devotion to Ruby Clement and Janet Sixel and hope they will treasure it forever.

Marvis Beck (Marvie) wills her excuses for staying home from school to Sandra Gydesen and hopes she can come as close to the 20-day limit without going over it as Marvis did.

Jerry Huebner (Smilie) wills his mother's apron strings to Doug Spencer. We hope he will hang on to them as Jerry has.

Peggy Wagner (Peg) wills her ability to slip downtown during school hours for snacks to Janet Dutcher. We hope she doesn't come as close to being caught as Peggy did.

Class Will

(Continued)

Rollin Mallery (Rol) wills all his fine beer parties to Russ Stevens. Take it easy, Russ.

Deanna Johnson (Dee) wills her noisy ways to Roger Davis, whose motto is "Be seen and not heard."

Jerry Carruth (Speed) and Loren Babcock (Butch) will their ambition to do homework to Jerry Johnson. Don't study too hard, Jerry.

Sharon Bremer (Toots) wills her good grades to Don Foster. Don't walk away with all the honors, Don.

Larry Jess (Laris) wills his careful driving to Keith Gydesen. We hope the Buick will take as much as the Ford did.

Janis Cargill (Jan) wills her many study

halls to Carroll Barnes in hopes he will have enough work to keep him busy.

Jerry Dulitz (Goober) wills his written promise for prom date to Joyce Peterson. Nice going, Joyce.

Dean Johnson (Whitey) and David Karre (Curly) will their ability to get brownie points to Allen Bennett. Try to pass them around, Allen.

Phyllis Malottke (Phil) wills her love for hillbilly music to Nick Dutcher. Be sure to save time for studying, Nick.

And here is a last reminder from our class sponsors, Seevers and Cook. If you can't succeed in learning—try teaching.

Class Prophecy

Time: 1968.

Place: Broadcasting studio of station GOOFY, Scotia, Nebraska. We will bring to you the latest news from your newscasters Carol Seevers and Gale Cook through the courtesy of the Jerry Huebner Death Drivers Association "Swing and Sway the Death Drivers Way." This association is celebrating its tenth anniversary in which Jerry has proved to be a successful director.

Good evening, ladies and gentlemen; here is the latest news of the day.

The famous garbage collector, Jerry Carruth, has just broken the world's record for fast service. He managed to collect garbage from five houses in one day.

Last Tuesday in Hollywood a trophy was presented to Loren Babcock for being the most henpecked husband of the year. He is now vacationing in Florida with his actress bride, the former Deanna Beck. They were high school sweethearts and after nine long years of separation they finally decided to tie the knot.

The two great authors, Rollin Mallery and Jerry Dulitz, have just recently published their latest book entitled "The Harmful Effects of Alcohol." They started their study on this in their early years of high school.

Mrs. Marvin Timmons, the former Marvis Beck, of Grand Island, Nebraska, was awarded the "mother of the year" award at a banquet in her honor. She is the mother of nine little boys.

Professor Frank Henke, of the Lincoln University, left Thursday morning to spend a few days on the moon. He is the first man to make this journey.

"Cures all Animals, Kills all People" has been selected as the theme for the Misses Phyllis Malottke and Sharon Bremer hospital. Free ether and surgical cotton will be served at their opening.

The Johnson twins, Dean and Deanna, are now featured in all the leading magazines as "which twin has the Toni?"

Rich Dav's and David Ashley have been made the new proprietors of the Soak Proof Diaper Manufacturing Company. They became interested in this business when they followed the old saying, "Cheaper by the Dozen."

Peggy Wagner, the famous hair stylist, was a victim of the Snipper that was roaming the streets of New York last week. Unfortunately the Snipper managed to snip one of Miss Wagner's blond curls before the police managed to capture him.

Janis Cargill, the talented missionary who has made many trips around the world, is now in Africa teaching the monkeys the "Right Path of Life."

And here is a last minute news bulletin from the sports world. The famous West Point team, coached by Larry Jess, was defeated in an unforgettable game last night. The over confident team was defeated by the small Nebraska University team coached by David Karre.

This concludes our last news broadcast for 1968.

Scotia Voc-Ag Student Wins Kansas City Stay

RUBY CLEMENT GIRLS' STATE CHOICE
JERRY JOHNSON TO BOYS' STATE

A vocational agriculture student who increased his corn yield by 32 bushels has earned interstate recognition.

He is Dean Johnson of Scotia.

Dean increased his plant population (up to 10 thousand per acre) and fertilizer. His control plot produced 48 bushels per acre; his experimental plot yielded 80 bushels.

That increase of 32 bushels of corn cost him only \$9.31. His total cost on the higher-yielding plot was \$27.97.

His efforts won him a
