## CLASS WILL OF '63

We, the Senior Class of '63, being of sound mind and body on this day of May of the year of our Lord 1963, do hereby declare this to be our last will and testament.

To the school we leave all the fine trophies we Seniors helped to win this year.

To the faculty we leave our willingness to work and learn, our studious ways and sweet breath of youth.

To the freshmen we leave our luck in everything. You guys have a long way to go yet!

To the sophomores - - - Actually you kids really don't need anything.

To the juniors we leave these, our most precious possessions:

I, Martha (Marty) Babcock, will my weight to Bill Murphy. With what you have now, Bill, you have to stand twice to make a shadow.

I, Eleanor (Ellie) Bennett, will my knowledge I didn't know I had to Marleen Beilke. With this you should head the top of your class.

I, Betty (Liz) Dwinell, will my black hair to Donna White so she won't have to spend so much money on hers.

I, Dean Everett, will my long legs to Dale Lanc. With the added height you won't have to jump for the ball.

I, Van (Shuffles) Smith, will my student manager ability to Don Medbery so he can get better acquainted with the coaches.

I, Jerry (Jethro) Stine, will my belt to Gary Worrell so maybe next year his pants will stay up during football games.

I, Rollie Davis, will my ability to sneak in and out of the Ord theatre to Dennis Gebhardt and Phid Sheldon. Lots of luck, kids.

I, Floyd (Snort) Whiting, will my uselessness for everything to my sis, Mari. Just as well keep it in the family.

I, James Hackel, regret I have nothing to leave 'cause I love everything too much to part with it.

I, Roger (Liver Lips) Johnson, will my way with women to Ron Pedersen and Bill Freeman. Hope you have better luck than I had.

I, Audrey (Snooks) Keep, will my late hours to Monna Craft and Ruth Jorgensen. It helps to keep the back door unlocked, girls.

I, Mary (Bounce) Karre, will my power to Don Day. With all this extra strength, you should be the greatest in track next year.

I, Diana (Fritz) Wells, will my love of horses to Judy Jess. You'll learn to enjoy them with time and bruises.

I, Yvonne (Von) Jensen, will my handwriting technique to Sherm Clarke. Your writing's improved, Sherm.

I, Sheila (Jeff) Jeffres, will my tuba playing ability to Sharee Klein. Let's hear you hit those low notes with your flute.

I, Janie (KP) Burrows, will my ability to butter up to teachers to Gale and Dale Boyce. It's better than the 70 cent spread.

I, Marlys (Bug) Hickman, will my ability to look at boys to Pat Bjorklund. Keep those eyes aflutter.

I, Judy (BBJ) Johnson, will my invisible nylons to Roger Goldfish and Virgil Dierberger. Now you guys won't have to shave your legs.

I, Pam (Wiggles) Sixel, will my ability to giggle to Mary Hermsmeyer, Pat Leth and Anita Cargill. Life's a lot of fun, girls.

I, Norma (Polock) Polinoski, will my favorite parking spot to Carol Sintek and Allan Cox. Don't let it become a deserted area.

I, Yvonne (Red) Dierberger, will my red hair to anyone who will have it. How about you, Phyllis Fuller?

I, Pauline (Paul) Jorgensen, will my ability to sleep in Modern Problems class to cuz, Larry Jorgensen.

I, Brice (Cecil) Severance, will my ability to recite in class to Teddy Karre. Glad to get rid of it.

I, Clyde (Bandersnatch) Leach, will all my hours spent at study to Linda Vogeler and Janet Holt. Don't sleep too hard, gals.

I, David (Charley) Weeks, will my ability to keep books to Evelyn Thomas. Don't take too many bets.

I, Darlene (Pete) Peterson, will all my love to Harriet Burton. Just keeping it in the family.

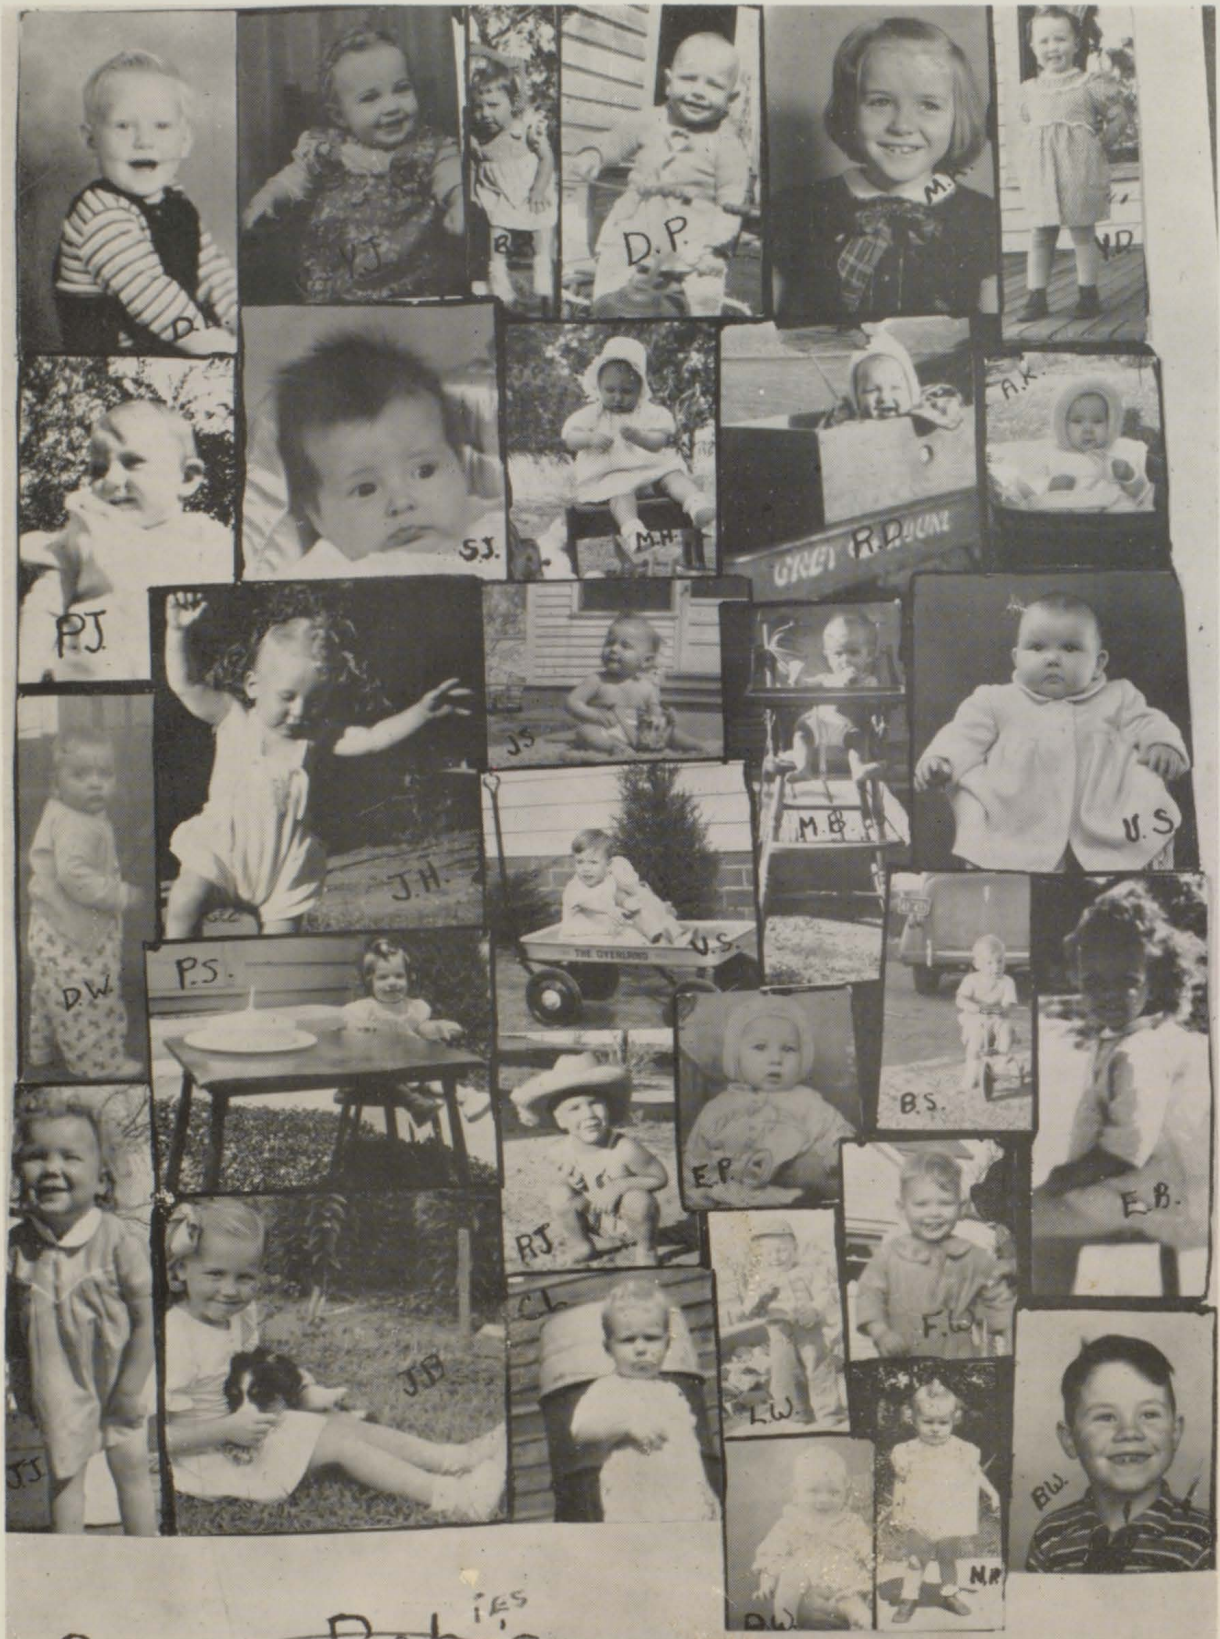

I, Robert (Bobby) Whalen, will my old loves to Don Drawbridge and Phil Van Horn. They all seem to want a change.

I, Valerie (Lefty) Sims, will my cheerleading shoes to Jody Sintek. WHEEEEE! Watch that gal bounce.

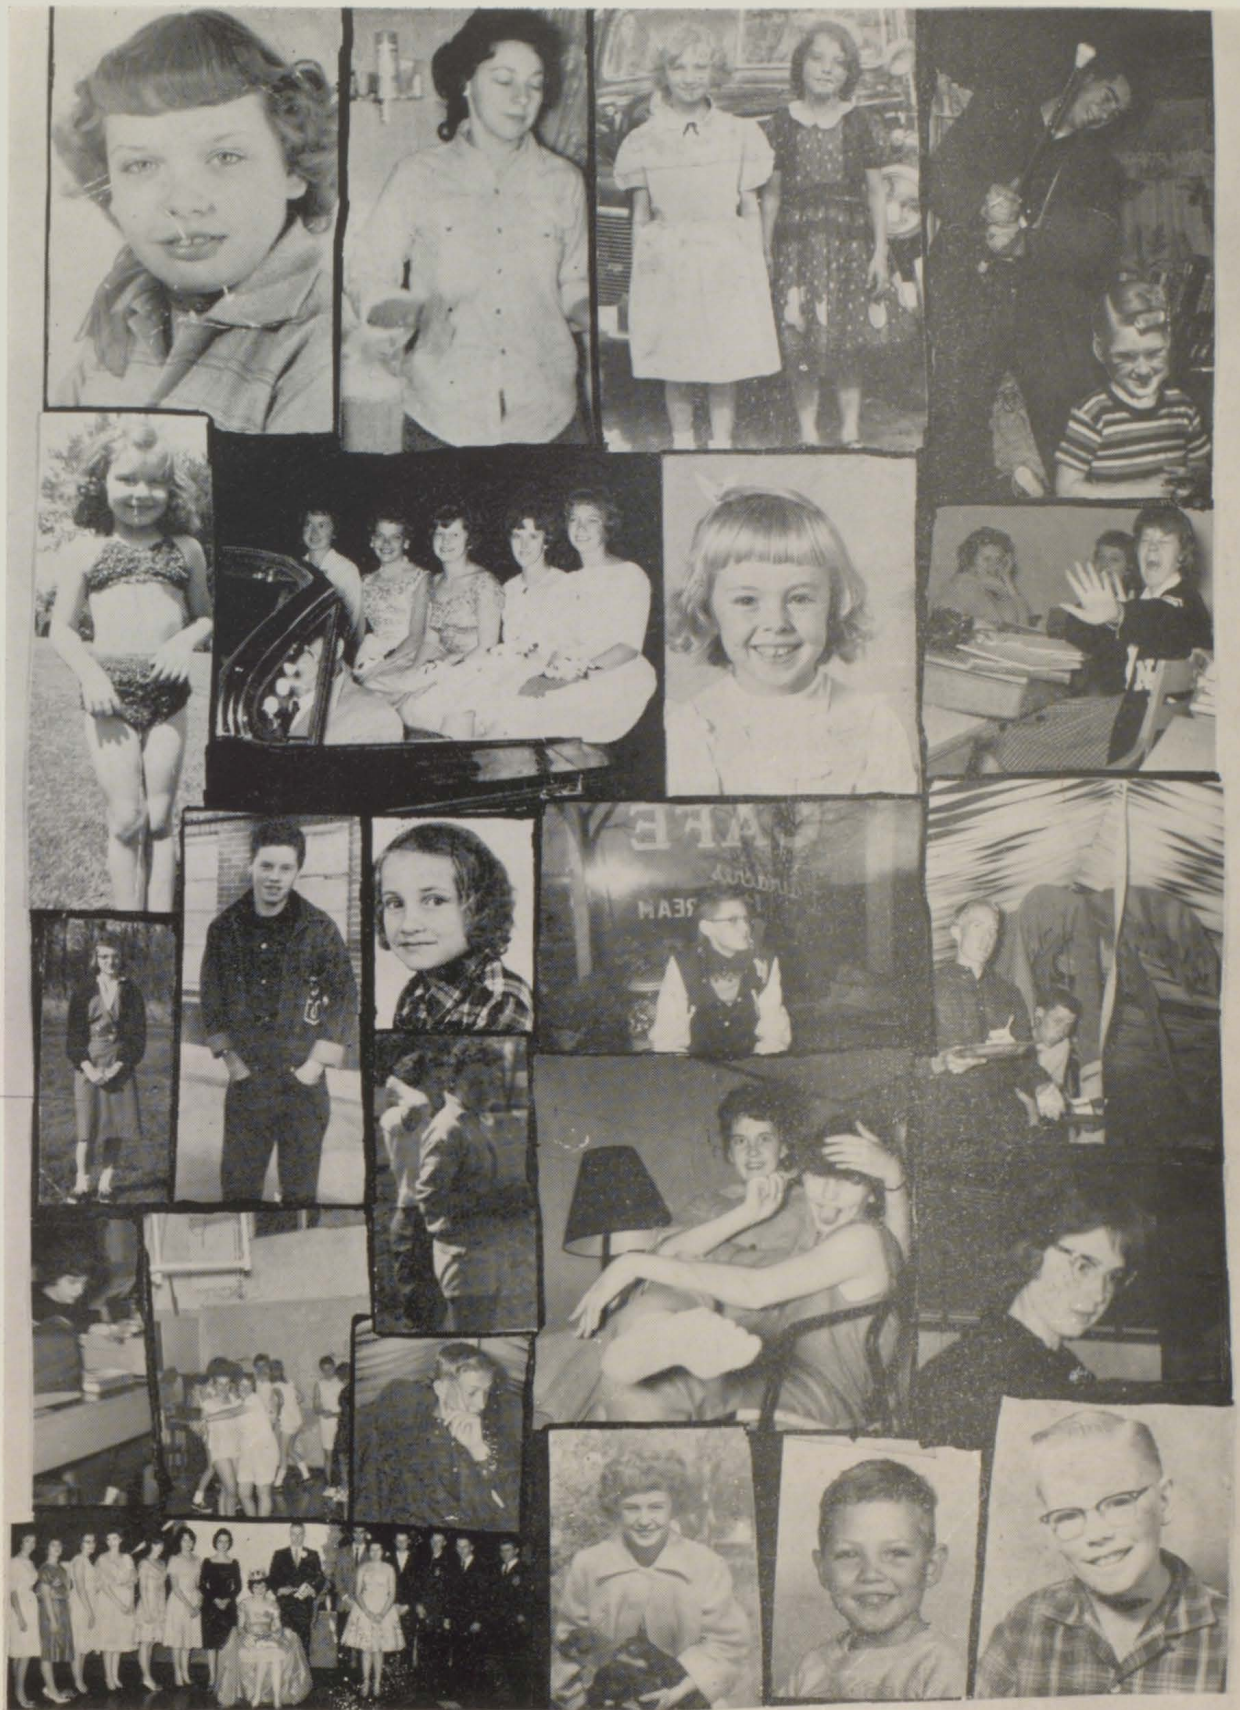

I, Leonard (Lou) Williams, will my sex appeal to Terry Anthony and Darrel Cox. With luck you'll be swarmed, mobbed and all that sort of thing.

### SENIOR SNEAK DAY

The annual Senior Sneak Day was held on April 23 this year. 31 cheery and happy seniors gaily boarded the bus at approximately 4:00 a.m. Again this year the Seniors went to Omaha to spend their day. The Seniors toured Boys' Town, Cudahy Meat Plant, Joslyn Memorial Museum and went to a movie in the evening. They enjoyed a few lines of bowling. All in all they returned tired and wiser than the day they had left. A very good time was had by all.

## JUNIOR CLASS PLAY

### "Stars in Their Eyes"

The Kelton family has just arrived in California intent upon crashing the movies. There is Papa Kelton, a milkman at present but is waiting for the right break. Mamma Kelton, an aspiring playwright, keeps the spirit up for all the family. The three daughters are completely different in character. Beatrice is the one just right for movies. Lindy, the youngest one, succeeds in getting the whole family practically booted out of their tired apartment. There's the eldest daughter, Julie, the only sensible one of the whole family.

With the other members of the apartment house always helping the Keltons with their problems, the three-act play depicts the adventures, misadventures and struggles of the Kelton clan.

### JUNIOR-SENIOR BANQUET AND PROM

In a beautiful setting among Apple Blossoms, the Juniors were hosts to some seventy Seniors and faculty members at the annual Junior-Senior banquet.

A golden tree of beautiful apple blossoms was the main center of attraction in the mint green and pink garden setting. The scene was also enchanted by a garden wall, bird bath, and the scent of apple blossoms. Tiny wishing wells graced the tables as favors. Pastel colored butterflies and pixies were also a part of the setting.

The Junior mothers, under the leadership of Mrs. Erlo Cox, mother chairman, prepared the delicious Swiss steak dinner which was served by the sophomore waiters and waitresses.

The prom was held after the banquet at the North Loup Community Building with the John Berigan Orchestra. This, too, was held in the surroundings of Apple Blossoms.

## COUNTY GOVERNMENT DAY

Many Junior students were in attendance for the Greeley and Valley County Government Day. The student body voted for their choices by the use of an automatic voting machine. Much campaigning was done by each of the office-seeking Juniors. After the students were selected, they were then ready to go to each of the court houses in Ord and Greeley.

A wealth of information was gained by the students. Each student was introduced in the court room before going to his respective office. The day was spent learning the ways of our county government. The students fulfilled the positions of their elected offices and in doing so learned much about them.

The highlight in the Greeley County Government Day was the mock trial. Presiding as judge was our own Marleen Beilke. The law-abiding sheriff over the trial was none less than Dennis Gebhardt. Serving as defense attorney was Judy Jess. On the jury was, of course, the honest Janet Holt, and Bill Murphy trying to persuade their fellow jurists to see things from their point of view.

The Valley county students enjoyed luncheon at the Ord Legion Club. Following this the candidates visited all the offices of the court house. Many of the Valley County students received their pictures in the paper showing them at their respective offices.

The County Government Day was very profitable and enjoyed by everyone.

### Purposes of the Student Council

Many school activities are directed by the students themselves. This is usually done through the Student Council, a group of students elected by the student body to represent them. This is the student agency which coordinates the activities of other student groups in the school.

The organization of our Student Council was through the efforts of our principal, Jack Eriksen, and superintendent, Virgil Ferguson.

The aims of the Student Council are written in its constitution, and are as varied as the school itself. Some of the aims of the student council are: promotion of harmonious relations between students and faculty; promotion of student activities; assistance in school management; development of habits of good citizenship; and promotion of the school's welfare. The council provides a medium for student expression.

Our Student Council prepares a student hand book which, beginning next year, each enrolling student will receive upon entering the school.
