# Dedication

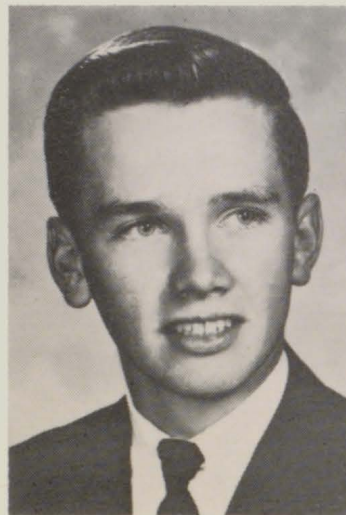

Chuck Morrow

Errol Wells

Gerry Thompson

Larry White

We, the Annual Staff of 1966, are honored to dedicate this annual to Chuck Morrow, Errol Wells, Gerry Thompson and Larry White, our "State Farmers" of Nebraska.

This honor, bestowed upon only two per cent of the total state members, was gained through leadership and cooperation in student, chapter, and community activities, scholarship and active membership in FFA. To the "State Farmers" we say:

CONGRATULATIONS!

## Class Will

**BE IT REMEMBERED** that we, the Senior Class of North Loup Scotia, of the year 1966, County of Greeley, State of Nebraska, being of sound and disposing mind and memory, but mindful of the uncertainty of our lives, do make, publish, and declare this our Last Will and Testament.

I, Joy Van Horn, will my apple-stealing tactics to Kerry Fuller. Watch out for the cops.

I, Jerry DeNoyer, will my five-year-old autograph of Mrs. Manchester's hand to Steve Albrecht. Wear it with pride???

We, Lynette Vore and Betty Cernik, will our experiences with Service Men to Sylvia Stam. You can make any man love you.

I, Pam Smith, will my holes-in-the-ears to Gretchen Schudel. Not that you need any more.

I, Sheri Ferguson, will my gum chewing and tymps in band to Richard Fuller. You seem to have both of them this year anyway!

We, Jess Worm and Terry Hochreiter, will our 21 days to Tom Vaughn. Now you can miss 42 days of school.

I, Roger Tolen, will my tight pants to Vicki Walkup. Good luck Vicki . . .

We, Mike Hudson and Greg Hamer, will our cars to Geraldine Sautter so she can have one to drive too, instead of riding her bicycle all the time.

I, Larry Rice, will my stock car driving to Gaylene Anthony. Watch out for whiplash injuries!

I, Robert Morrow, will my Beatle haircut to Gary Cadek. There's no problem as long as you can see.

I, Ken Freeman, will all my useful hours down in the furnace room to Garry Whiting. Maybe you can get something out of them.

I, Merlyn Williams, will my sister to John Benson. She is experienced in fighting.

We, Mike Schudel and Roger Groetzinger, will our long legs to Larry Whiting so he can see over the cowboy boots.

I, Shari Keep, will my red hair to Ginger Bridge. Not that you need any.

We, Eddie Hackel and Gary Medbery, will our mathematical minds to Randy Jess who has a pretty good mind for figures.

We, Dennis Boyce and Gerry Thompson, will our ability to sleep in Modern Problems to Harold Timmons. Don't let Mrs. "B" catch you.

I, Betsy Burrows, will my one track mind to Phyllis Tolen. Remember, boys are made for girls.

We, Errol Wells and Larry Boettcher, will our Wolbach women to Gaylord Jensen. That's quite a drive just for a girl.

I, Janie Jeffres, will my favorite sport of night golfing to Gary Hamer. Don't get teed off.

I, Janet Karre, will my ability to avoid jealousy to Vicky Vogeler. Sorry about that, Vic.

We, Wanda Jensen and Kay Stanger, will our ability to hide over the noon hour so we won't have to go outside to Marian Hickman . . . Run Marian!!!

I, Jerry Hickman, will my ability to know about everything to Chuck Kment. You will need it in Modern Problems next year.

I, Russel Coufal, will my ability to stay up all night to Gerald Gydesen. It may come in handy some night.

We, Ellen Sintek and Susy Vlach, will our versatile hexes to Beverly White. This mystical power is possessed only by officers of the NLS Katettes (especially concessionaires and treasurers, and may be used whenever the cause is worthy). We'll never forget the time you received a superior at District Music Contest when the others received . . .

We, Chuck Morrow and Wesley Thompson, will our ability to pick up a car load of girls to Danny Thompson. You ought to try it sometime.

We, Calvin Weeks, Norma Bennett, and John Paidar, will our ability to stay single to Gilbert Smith. At least we don't have to worry about in-laws.

We, Shirley Day and Larry White, will our experiences for going steady and steadily to Judy Veleba. Is it really love?

We, Carol Hansen and Cynthia Burton, will our ability to tell uncouth stories to Linda Hansen. Remember the trip to O'Neill this spring?

I, Dolores Dierberger, will my ability to go with unknown people to Galen Hansen. We'll never tell, will we?

To the Junior Class we have given our most prized possessions.

To the Sophomore Class we leave our sophisticated ways and manners, and "cheating ability"?

To the Freshman Class we leave used pens, pencils, and teachers along with helpful hints, so you can get through the long years ahead.

To the Faculty we leave all those sweet memories!???

**SIGNED, SEALED, PUBLISHED, AND DECLARED** by the above named North Loup Scotia Senior Class as and for their Last Will and Testament in the presence of one another, hereby subscribe their names as witnesses thereto. . . .

## Senior Sneak Day

On April 14, thirty-eight wide awake seniors and their sleepy-eyed sponsors left for Omaha at 3:30 a.m. Our first stop was Shelby where we ate breakfast. Heading on toward Omaha, our next stop was a guided tour of Boys' Town. After this we went to Offutt Air Force Base for a sight-seeing tour of the airplanes. We then ate lunch and had free time until 5:00 p.m. At 6:00 p.m. we ate dinner at the Fireside Inn and then attended the show, "The Battle of the Bulge," at the Indian Hills Theater. We returned home very sleepy after having a wonderful time. We were very sorry that five seniors were not able to make the trip with us.

## "A Midsummer Night's Dream"

The unusual was enjoyed in the Senior Class play "A Midsummer Night's Dream," written by William Shakespeare. The audience accompanied the cast back in time, into the land of woodsprites and their merrymaking. They witnessed a ballet, a hilarious mix-up of love potions and a silly play within the play.

## County Government Day

County Government Day provides an excellent opportunity for Juniors to learn about government on the local level.

On November 16, 13 members of the Junior Class attended County Government Day in Greeley. County officials had arranged a practical study in government on the local level. This study included an introduction concerning related duties of county officials and continued with specific practices in the individual offices. The mock trial was enjoyed most of all by the students.

Seventeen members of the Junior Class attended Valley County Government Day in Ord December 15. Each county official presented interesting information about the duties and responsibilities his job requires.

County Government Day is sponsored by the American Legion.

## Junior-Senior Banquet and Prom 1966

The high school gymnasium was the setting for the 1966 NL-S Junior-Senior Banquet and Prom. This annual event was held on Saturday, May 7.

The theme, Cinderella Ball, was portrayed in colors of rose, gold and white. The back stage wall was covered by a huge painting of a castle and countryside. Streamers of white, rose and gold hung from a center peak to each side wall. Gray stone paper, rose colored drapery, swords and shields adorned three walls. High-lighting the banquet scene was a large gold coach, fountain, and garden entrance.

The sophomore servers were garbed in costumes appropriate to the theme. Music was provided by the Ord Swing Band.

Many school activities are directed by the students themselves. This is usually done through the Student Council, which is a group of students elected by the student body to represent them. This is the student agency which coordinates the activities of other student groups in the school.

The organization of our Student Council was through the efforts of our principal, Glen Hawley, and superintendent, Virgil Ferguson.

The aims of the Student Council are written in its constitution, and are as varied as the school itself. Some of the accomplishments of the Student Council this year are: The introduction of assembly speakers, erection of a Christmas tree in the gymnasium, organization of a Christmas party, guides at Parent Visitation Day, and planning of several interesting programs.

Being elected to the Student Council is not a reward, but rather it is being a representative of those who elect you to be an agent of the general welfare of the school, an example to your fellow students, and a representative of your school.

## "Death Takes a Holiday"

"Death Takes a Holiday" is a portrait of the living, the dead, and those in the shadow. In this play, the all-powerful Death is disturbed by the fact that people who meet him are afraid. To discover why, he decides to take a three-day holiday during which time nothing will die or grow older. While a mortal, he falls in love with Grazia, a beautiful girl living in an aura of remoteness. When Death must return to his former state, Grazia asks him to take her, too. Her family and friends beg him not to; he says he won't if they can call her back. But to Grazia the mortal Prince Sirki and the immortal Death have been the same, and so they fail. This play, written by Alberto Casella and rewritten for the American stage by Walter Ferris, proves how Death eventually overpowers everything, including love.
