# In Memory of Tracy Morrow

*I am home in heaven, dear ones;  
Oh, so happy and so bright.  
There is perfect joy and beauty  
In this everlasting light.*

*All the pain and grief is over,  
Every restless tossing is passed.  
I am now at peace forever,  
Safely at home in heaven at last.*

*Did you wonder I so calmly  
Trod the valley of the shade?  
Oh, but Jesus' love illumined  
Every dark and fearful glade.*

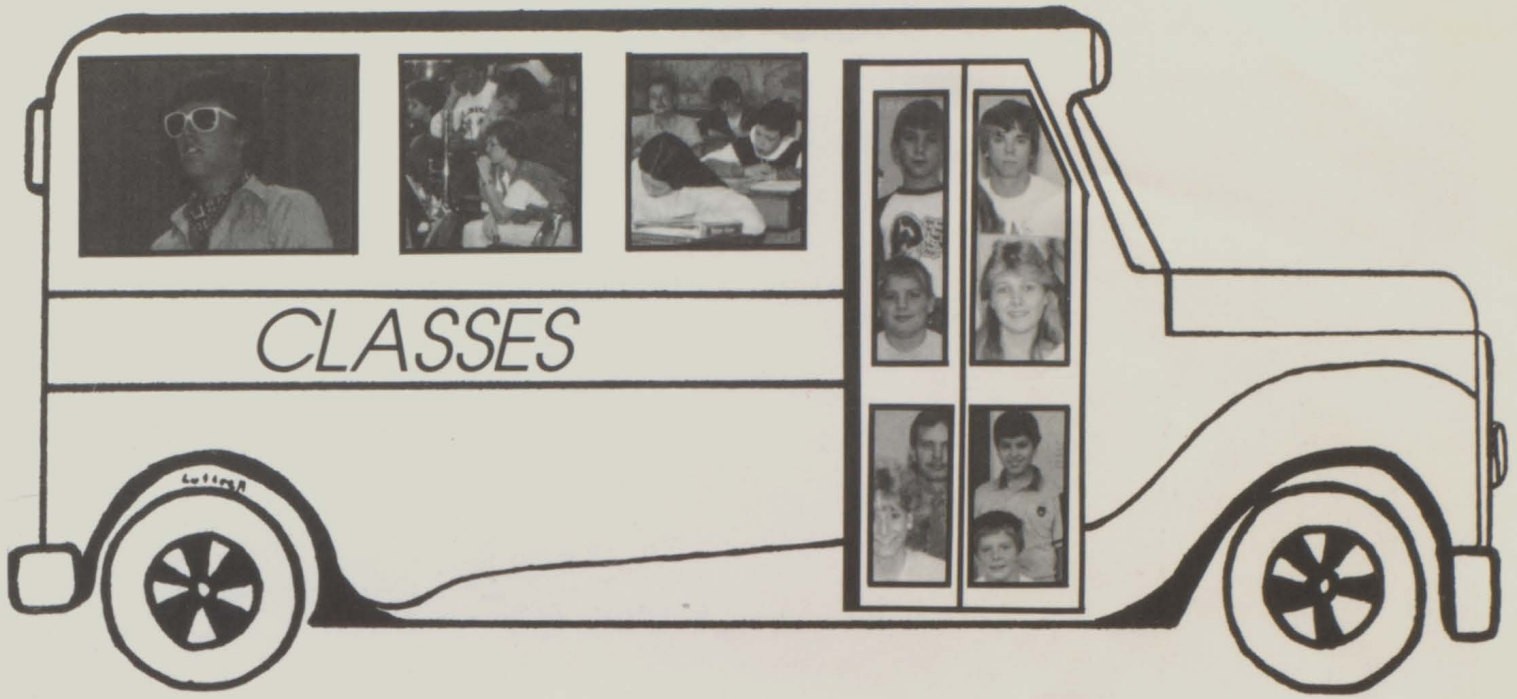

*And He came Himself to meet me  
In the way so hard to tread;  
And with Jesus' arm to lean on  
Could I have one doubt or dread?*

*Then you must not grieve so sorely,  
For I love you dearly still.  
Try to look beyond death's shadows;  
Pray to trust our Father's will.*

*There is work still waiting for you,  
So you must not idly stand.  
Do it now while life remaineth;  
You shall rest in Jesus' land.*

*When that work is all completed,  
He will gently call you home.  
Oh, the rapture of that meeting;  
Oh, the joy to see you come.*

The seventh grade is one of the most populous classes with a count of twenty-six students. They seem to be adapting well to the change in schools but do admit that they miss recess. Some also comment that it was hard going from top dog at North Loup to low man on the totem pole at Scotia, but say they are having a good time anyway.

The eighth grade, the largest class of NL-S with 28, contributed much to the school system. They had a successful year in both girls and boys sports. Their sponsor, Mr. Johnson, was very helpful in supervising their concession stand which was during the Greeley basketball game.

The freshmen are new here on the wildside. They may have a few troubled times but in the next few years they will be the high achievers. They had quite a few energetic people in sports this year. And in the future there are sure to be more involved and interested in the goings on of their class and school. Mr. Edson their sponsor helped them organize their fund raising project, which was a concession stand.

There were two new members added to the sophomore class making the total fifteen. It made it much easier for them to take a ride on the wildside. Even though the sophomore class was small, they still participated in many activities including chorus, FFA, FHA, band, pep club, W-Club, Lettermans club, volleyball, football, basketball, track, speech, and all-school play. One advantage of being a small class is that you become unusually close. This year the class was also thinking of different ways to raise money for next year's prom. The sophomores are one of the many examples of taking a ride on the wildside.

The class sponsors, Mr. Tolfa and Mrs. Johnson, were very supportive in helping the junior class raise funds for prom. The money-making projects included a concession stand, soup supper, car wash and dunking stands for Homecoming and Popcorn Days.

The juniors also had a good year in sports with Lynnette Morrow being named to the all-conference tournament volleyball team. In football, Paul Boyce and Dan Fox were named to the all-conference 1st team. Mark Malmstrom and Kirk Goldfish were chosen as all-conference honorable mentions. Dan Fox was also chosen by the Omaha World Herald as Class D's all-state kicker.

"We salute you on all your successes. We congratulate you on your year of excellence and may the lord continue to bless your department." These are just a few remarks received by Mr. Shoemaker and the NL-S speech team from area schools on their many accomplishments. This talent was displayed throughout the entire year by eight returning varsity members who proved that quantity has nothing to do with quality. Adding to that were the 17 fresh, new, and definitely talented novice members. When you put the two teams together under the leadership of an outstanding coach, you receive multiple victories, including Conference and District Champs, and third at State. This team deserves a ride on the wildside!
