You learned all of this before.

There are no calculator problems on this test.

We have a difference of opinion.

There's no questions today?

# Science

Pick em' up !!

Twenty push-ups and twenty pull-ups.

You have been a wonderful joy to us. You have exceeded all our hopes and dreams. We thank God for giving you to us and look forward to sharing you with the rest of the world as you continue your journey through life.

Love you always and forever,  
Mom and Dad

# Katie Ricquel Vlach

---

"Bugg," a favorite name given to such a little "mite," but we found out at an early age you were not one to let anyone walk all over you. You showed your (stubborn) determination from little on, and now have demonstrated that same determination in a very positive way. We are proud of the values you uphold, the leadership you've shown, and the woman you've become. We continue to pray for God's guidance in your life.

Our love to you always,  
Mom and Dad, Suzanne, Kimbrie and Abby

# Nick Shoemaker

---

I thank God every day for the gift of you, son. You have enriched our lives with so much love, joy and pride. Be proud of who you are and the fine young man you have become. You are kind, honest, trustworthy and hard working. Set your goals high, believe in yourself and keep your faith. We wish you much happiness and success. Remember son, we love you and will be here for you. We are so proud of you.

Our love and blessings,  
Mom and Dad

# Jamie and Joni Drapal

---

I love you both very much and I am proud to have you as my daughters. You both have accomplished a lot and are ready to take the next step in your lives. I know your Dad would be proud of his girls. Remember God is with you always, through good times and bad. He will never leave you.

Always love you,  
Mom

## *Jessica Mae Jacobsen*

---

From our precious first baby girl, to the sweet and beautiful young woman you have become, you have given us such pleasure. We have tried to follow you down every road, now you're starting down a different path and we will still be there for you (always remember that). We know that the dreams in your heart are within your reach. Always believe in yourself. I know we believe in you and love you. Please always remember the way home.

Love,  
Mom, Dad, Jason, Mat, & Jamie

## *Nicholas Scott Sanburg*

---

We love you and we are proud of you. We support you in whatever you do. We want to give you this advice as you might have learned in your senior year, "Study before taking any tests," and you will do O.K.

Love,  
Mom, Jim, Andy, & Molly Kay

## *Ashley Mae White*

---

We are so proud of you, in everything you have accomplished during your school years. Life is so much better knowing you and having you in our lives. We wish you much joy and happiness in the future. Remember we will always be here for you!

Love,  
Mom & Dad

## *Kevin Michael Hiatt*

---

Seems like only yesterday you started kindergarten and now you'll soon begin your first day of college. We're so proud to call you our son. You've taken a lot of pride in everything you've done, you've set goals for yourself and worked hard to reach them. With your faith in God and belief in yourself, nothing is impossible.

Love,  
Mom & Dad

# *Aaron Wells*

---

Words can not express how proud we are of you, son. You have given us a life time of wonderful memories, and still more to come. Go take on the world, but remember what you have learned and always leave a place for God in your heart.

Love,  
Mom and Dad

# *Kristen Ann Shoemaker*

---

You've grown from our bright-eyed Pumkin to our Prom Princess. Time has gone by too quickly. We are very PROUD of all your accomplishments. Set your goals high and much success will follow. Live life to the fullest. The sky is the limit. Let God's love and teachings continue to guide you.

Love,  
Mom, Dad, Lindsey & Jackson

# *Bambi Turek*

---

We all want you to know how important you are to our family. For 18 years now you've brought so much joy. A blessing from Jehovah with your gifts, so unique, artistic, humorous and independent. Our lives would have never been complete without you. May Jehovah bless you through life with a hunger for knowledge, wisdom to use it, happiness and success, belief in yourself, and the power of prayer through Jesus. We will always love you unconditionally, and we will all be here for you when you need us. We're so proud of you. Enjoy every precious moment.

Love,  
Mom, Dad, Kelli, Eric, and Adrian
