Christy,

Thank God for our little girl! You have grown into a beautiful young woman long before we were ready to let you go. It is such a blessing and honor to have you as our daughter. Your shy smile and quiet ways will be remembered by many. Your determination and hard work will carry you anywhere you want to go. "Shoot" for your goals and be "aggressive."

Love, Mom and Dad

Dearest Jamie,

We have watched you grow up to be a very loving and caring young woman and have been so proud of you in all you have accomplished at school and in life. You will always be our beautiful baby girl. We can't wait to see all the wonderful things that life holds for you, and you know we'll always be there to love and support you in whatever you choose to do in your life. Dad and I have loved every minute of every day and look forward to the future.

Love, Dad and Mom

Dear Brian,

To the number one man in my life! The past has zoomed by much too quickly for me and now it is already time to say good-bye to my one and only son. I will miss you more than you will ever know. I am so proud of you and I will think of you everyday. Thank you for being such a great older brother to Amy and for being such a great son to me. Reach for the stars, Brian, and never let go of your dreams. Always remember how much God loves you and I Love you too.

Love Mom

Cathy,

What a blessing and a joy you have been in our lives! We have watched you grow from carrying a blankie to becoming a beautiful young woman. We know you will always do well in everything you pursue. Shoot for the stars but take joy on the journey.

Love,

Dad, Mom, Grandpa, Craig, Jenni, Jared, Tina, Shaina, Mondine, and Kayla

Dear Jason,

It seems like yesterday when we brought you home, the joy you have given us can not be expressed. The past eighteen years have gone by so fast. We hold each day that we've had with you in our hearts. You have grown into a wonderful young man. We take such pride in having you for a son. We want you to know what a blessing you have always been. We admire how hard you worked even when the task was difficult you kept trying; watching you succeed are some of the proudest moments of our lives. Your faith, strength of character, honesty, and your great sense of humor, will take you very far into the future. We hope that the future will hold for you all the happiness that you deserve. Have some fun, and always remember we love you very much.

Love, Mom and Dad

Sheena,

Our little beanie, from the moment they placed you in my arms our souls have been entwined. Your smile lights up the day and your gentle soul warms it. There is not a day that goes by that I don't thank the Lord that He chose you for us to love and watch grow into a beautiful young lady. We have laughed together so many times and had our moments of tears along the way. Go forward into your future, but never forget to turn around to your past and always remember who you are and that you are loved. To us you will always be our little princess. Brien a sister to tease and to the twins you will always be their "tissie". Remember home is only a thought away. Now as we watch with anticipation and pride as you go out into the world to leave your footprints along the way.

With Love Always  
Mom and Dad  
and your brothers, 3  
XOXO

Monte-

Wow! Can you believe that you're a Senior already? It seems like just yesterday you were our first precious little boy. We know you thought you would stay "little" forever but look at you now! You have always been strong willed but that has helped you many times to stand on your own "two feet." We do appreciate who you have become and we trust God to guide you into what he would have you do and be from here on out. Know that we always love you and are here for you.

Our Love,  
Mom and Dad

Dear John,

When you were little you were always busy tracking something. First it was "corn bear" and now it's the "Big Buck" You have a keen eye. You need to keep searching for the right path in life also. Always do what is right. Remember your roots. Find the best qualities in your friends and people you work with. You have a strong moral center. You are very loyal to your friends and family. You have many great qualities. We are proud of you for everything you are everything we know you will become.

Love you forever,

Mom and Dad

Farris,

You have never been one to follow the crowd, this is many times harder and lonely. But always remember that sometimes the crowd is not always the best place for you. Being happy and yourself is the most important part of life. We know you have a great life ahead of you. Best wishes, Gods Blessing, with all our love.

Your Family.
