## *The Book Thief* by Markus Zusak

It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still.

By her brother's graveside, Liesel Meminger's life is changed when she picks up a single object, partially hidden in the snow. It is *The Grave Digger's Handbook*, left there by accident, and it is her first act of book thievery. So begins a love affair with books and words, as Liesel, with the help of her accordion-playing father, learns to read. Soon she is stealing books from Nazi book-burnings, the mayor's wife's library, wherever there are books to be found.

But these are dangerous times. When Liesel's foster family hides a Jew in their basement, Liesel's world is both opened up and closed down.
