# June 2022

**All Day Ocean Craft:** Stop into the library any time on Tuesdays to make an ocean-themed craft project! There will be a different craft to make each Tuesday in June and July.

**Aquatic Animals with Papio NRD:** Join us as we explore a variety of aquatic animals, their adaptations, and what they can tell us about our ecosystem's health!

**Book Club (adults):** Book Club meets on the third Monday of each month! Our book club reads a wide variety of titles, and is always open to new members. To find out what we've selected this month, contact the library.

**Knit & Crochet (all ages):** Every Saturday is knit and crochet day at the library! Stop by with your knitting, crochet, sewing, or other handicraft to stitch for awhile, and chat with other crafters. Beginners are welcome, and our experienced crafters love to teach!

**LEGO Club (grades K-5):** Join us on Fridays to make all kinds of amazing LEGO creations! There will be a theme or challenge each week, and creativity is encouraged.

**Nintendo Switch Gaming (grades 3-8):** Come compete with other gamers in Nintendo Switch games, like Super Smash Brothers and Mario Kart! (The library provides the Switch, JoyCons, and games.)

**Parent/Child Play Group with Miss Mary Beth:** These Parent/Child Playdates are geared for children entering kindergarten in the fall and will include a story, a hands-on activity for parent and child, and a snack.

**Read with a Dog:** Sign up at the library to read to a therapy dog on specific days this summer. Each child can sign up for one 15 minute time slot. These events are great for children practicing their reading skills and/or children who love dogs.

**Storytime and Open Play (birth to Kindergarten):** Join us for a half hour of songs, fingerplays, and stories, followed by time to play with toys with other children.

**Summer Reading Kickoff Party:** On Wednesday, June 1, stop by the library between 3pm and 4:30pm for our Kickoff Party! Get signed up for Summer Reading, play indoor and outdoor games, and go home with prizes!

**Visit with Officer James Deemer and K9 Sonic:** Come meet the Valley Police Department's new K9 officer! His human partner, Officer Deemer, will be there to answer all your questions about training and working with a police dog.
