VALLEY PUBLIC LIBRARY

Book Club (adults): Book Club meets on the third Monday of each month! Our book club reads a wide variety of titles, and is always open to new members. To find out what we've selected this month, or to join the book club, please contact the library.

Duplo Club (ages 0-5): Children will get to play with Duplos, puppets, puzzles, and more while learning how to interact and socialize with others in their age group (and parents get a chance to socialize as well!).

Knit & Crochet (all ages): Every Saturday is knit and crochet day at the library! Stop by with your knitting, crochet, sewing, or other handicraft to stitch for awhile, and chat with other crafters. Beginners are welcome, and our experienced crafters love to teach!

LEGO Club (grades K-5): Join us on Fridays after early-out from school to make all kinds of amazing LEGO creations! There will be a theme or challenge each week, and creativity is encouraged.

Star Party (all ages): Join us for a night under the stars! Omaha Astronomical Society will bring telescopes and help you see the constellations in the night sky. Event will be held at the DC West practice field (Pine St. just north of Gardiner, by the fourplex) at 7pm on Fri., Sept. 30.

Teen Hangout (grades 6-12): Come to the library to eat snacks and hangout!

Tween Tuesdays (ages 8 to 12): Tween Tuesdays will feature a different activity each week. Some weeks will be focused on art, while others will center on STEM, cooking, or games. See the calendar each month for that month's themes.
