Genealogy Research Information

The Board of Trustees has determined a minimum fee of \$25 for genealogy research conducted by the librarians. Research does not begin until the \$25 fee has been paid. This includes one hour of research, up to 10 photocopies, and postage. Additional copies will be billed at the current rate per page. Your request will be researched for one hour, but results are not guaranteed, and the fee is non-refundable. All searches are conducted from printed material; our resources are not computerized or indexed.

Information Requested

Be specific and concise, i.e. first, middle, and last name, location in Saline County, exact date of birth or death, names of other family members, year of immigration and port of entry, etc. Include any relevant information that will help our search.

Send Genealogy Research Form and a check for \$25.00 to: Dvoracek Memorial Library P.O. Box 803 Wilber, NE 68465

Please allow 4 to 6 weeks for information. We will send a letter of notification if no information is found.
