Impact Grants 2023

SUBMITTED BY WYMORE-BLUE SPRINGS AREA FUND (WRITTEN BY CHRIS WEBER)

Wymore/Blue Springs Area Fund (WBSAF) continues to support non-profits that are already supporting our community. With our Unrestricted Endowment, made possible by generous donors (like you), and managed by the Nebraska Community Foundation (NCF), we are able to put some of the earnings of the endowment to work for our community non-profits each year. The amount available is dependent upon the performance of the fund and what can safely be spent without jeopardizing the principal.

Each year WBSAF calls for grant applications from non-profit organizations that work to benefit the lives of those in our Wymore, Blue Springs, Barneston, Holmesville and Liberty communities. The request for funds must align with the mission of WBSAF “to encourage financial generosity and volunteer commitment to ensure we become and remain a thriving place to live, raise families, do business, and enjoy the good life”. This year we had the fortune of granting to two local organizations in need of additional funds to continue their work, supporting our area.

The Wymore Food Market is a group that distributes grocery items to children of the Southern School District. This organization is supported, and volunteer ran by members of the Wymore Methodist, Our Savior’s Lutheran, and State Line Lutheran Churches. The group is able to receive grocery items from the Lincoln Food Bank and distribute them monthly to any child enrolled in the Sothern School District. Approximately 440 children and their families have benefited from this program to date, and we are happy to help a program that helps to keep our children thriving.

CASA of Gage County provides family-centered care supporting and promoting court-appointed volunteer advocacy so that every abused or neglected child can be safe, establish permanence and have the opportunity to thrive. A Court Appointed Special Advocate (CASA) is a volunteer who is appointed to a case to ensure the child involved has someone looking out for the child’s best interests and is able to inform a judge of the needed placement and services. These volunteers have to drive often to attend meetings, visitations, and court appearances, which then has to be reimbursed to insure the continued participation of volunteers. WBSAF granted to CASA of Gage County to aid in the retention and continued training of volunteer advocates serving the children our area.

WBSAF wants to thank our endowment donors for their generosity. This affords us the opportunity to provide these Impact Grants and collaborate with our community partners. With more donations to the endowment Impact Grants can continue to grow and we can continue to help the area thrive.

BE A SMART COOKIE AND FOLLOW THE RECIPE

It can be fun to help prepare a meal or make a snack, but the kitchen can present serious fire hazards. It is important to practice proper fire and safety behaviors to make sure you don't cook up trouble. Wear short or tight-fitting sleeves when cooking. Maintain constant watch when preparing food. Unattended cooking is the leading cause of kitchen fire. Don't use the oven or stovetop if you are sleepy, have consumed alcohol, or are using drugs.

Keep your stove and oven clean, wiping up the spills. Use a low flame to guard against overheated grease and overflows. If a small grease fire had spread beyond the pan, smother it by carefully sliding a lid or cookie sheet over the pan to completely cover it. Turn off the burner and leave covered until cool. Never throw water on a grease fire. For an oven fire, turn off the heat and keep the door closed. As for a microwave fire shut off the power and keep the door closed.

Keep things that can catch fire like oven mitts, wooden utensils, paper towels away from the open flame. If your clothes do catch on fire remember to stop, drop, and roll until the fire is out then call for medical help.

Use these special rules to protect children in the kitchen. Maintain a kid free zone to keep them at three feet away from the stove. Use back burners to cook hot things so it is away from youngsters. Turn pot handles away from the edge of the stove. Never hold a child while cooking or carrying hot food or liquids. Use potholders or mitts to handle hot pots and pans. If someone is burned, run cool water over the area for 3 to 5 minutes, then cover with a clean white dry cloth, make sure to get medical help right

away.

Don't underestimate the speed and power of a fire. A kitchen fire can turn deadly in a matter of minutes! Most people assume they have more time to escape than they actually do. When fire strikes, speed is essential. Fires can spread rapidly through your home, engulfing it in smoke and flames, making escape nearly impossible in just a few minutes.

Malenna Rose Esteban-Ames entered into the arms of Jesus on January 7, 2023. She was born in Beatrice on October 25, 2022 to her daddy, Alex Esteban and mommy, Emma Ames. Malenna took in the world around her – watching and following red and green objects around her, which made watching Kansas City Chiefs games with her uncles more enjoyable. She was a happy baby; happiest when being held by her mommy watching Mickey Mouse or playing with her favorite elephant and only cried when she was cold or hungry.

Those left to mourn her passing are her mommy and daddy; grandparents Amanda Stevens, Evelyn Estrada Esteban Guzman, and Kyle Ames (Lea Meece) all of Wymore; aunts and uncles, Alicia Esteban, Angelina Estrada, Natasha Guzman, Miriem Guzman, Liam Guzman, Josue, Kylie Ames (Dugan Lathrom), Kale Ames (Addi Young), Hope Wise (Austin Adams), Blake Meece, and Alex Meece; great grandparents, Margaret Auldrige, Sandy Stevens, Olen and Kathy Ames, and Larry and Twila Wise; special aunt, Paige Buss; close family friend, Lisa O'Keefe; great uncle, Cary Ames (Kristin); and a host of extended family and friends. She was preceded in death by her great grandfather, Ray Stevens; great great grandparents, Mildred Stevens, and Shorty and Bernice Ames.

A memorial service was held at 2:00 PM on Friday, January 13, 2023 at the Wymore Church of Christ with Clayton Lundstedt officiating.

St. Peter's Pancake Feed

SUBMITTED BY LOIS MILBURN

St. Peter's Lutheran Church will host a pancake supper on Shrove Tuesday, February 21, 2022. Shrove Tuesday is the traditional feast day before the start of Lent on Ash Wednesday. Shrove comes from the word "shrive" which means to give absolution after hearing confession. Lent was traditionally a time of fasting. Shrove Tuesday was the last chance for a spot of indulgence before 40 days of fasting, and also an opportunity to use up food that couldn't be eaten during Lent. This included eggs, fat and milk, which were made into pancakes and eaten on that day. Therefore, St. Peter's Lutheran at 304 South 10th in Wymore will serve pancakes, eggs, and sausage from 4:00 p.m. to 7:00 p.m. Free will offering.
