

Kilgore Memorial Library  
Director's Report  
Prepared for the June 20, 2019  
York City Council meeting

1. The Elmer Baker display case is filled with a collection of art from O. Don Faller. This art is colored pencil coloring with additions to each photo to give them life. Don also has photos of flowers with the color removed so he can color them in again. This display is very beautiful.
2. StoryWalk 2019 books are selected and being prepared to be delivered on the trail each month through the year. The May/June book is Duck/Rabbit by Amy Rosenthal.
3. Summer reading at the library is going great. The Friends of the Library provided a picnic lunch on the 1<sup>st</sup> of June. Approximately 150 attended and registered for Summer Reading that day. We have four reading groups for everyone from toddlers to grandparents to join. There are activities four days a week and we are averaging 40 participants at each event. See our [web site](#) for details and don't forget to check the [photo gallery](#) for each event.
4. Our new Next Chapter Book Club is very popular with the eight participants and their care givers. We started the club on April 2<sup>nd</sup> and each Tuesday at 1:00 we come together and read a story out loud. During June they are meeting at East Hill Park since the library is filled with other summer activities.
5. Kilgore Memorial Library was one of the locations that received a facelift from 25 students attending the Soul Quest at York College.
6. Book Buddies is a new program where the library and the students from the Enrichment Program at YES have partnered to provide a story time event for toddlers on Thursdays at June.
7. The green space on the south side of the library parking lot is the location for the Framer's Market in 2019. The first evening was a huge success. Many families took advantage of coming to the library to buy produce and check out some library books. The Friends of the Library are running a mini used book sale outside on the library terrace during the same hours.

Respectfully submitted by,

Debora Robertson  
Director, Kilgore Memorial Library
