

Alliance Public Library's

GUIDE TO ONLINE HEALTH RESOURCES

1 [MEDLINEPLUS.GOV](https://pubmed.ncbi.nlm.nih.gov/)

Provides authoritative and up-to-date health information for patients and consumers in an easy to navigate site with multiple language options. Searches provide results from trusted medical resources.

2 [FAMILYDOCTOR.ORG](https://familydoctor.org/)

Administered by the American Academy of Family Physicians. Includes a symptom based database search with recommended care instructions including when to visit the doctor based on symptoms. Offers service searches by zipcode for food, housing, transit, public housing, physicians and more.

3 [HEALTH.GOV/MYHEALTHFINDER](https://www.health.gov/myhealthfinder/)

Provides a list of recommended screening tests and vaccinations based on age and gender. Administered by the United States DHHS and Office of Disease Prevention and Health Promotion.

4 [DAILYMED.NLM.NIH.GOV](https://dailymed.nlm.nih.gov/)

Administered by the National Library of Medicine and the national Institute of Health. Provides comprehensive and up-to-date information on medication content and labeling found on medicine packaging and containers. Based on the most recent information submitted to the FDA.

5 [NCCIH.NIH.GOV](https://nccih.nih.gov/)

Administered by the National Institute of Health. Provides information on unconventional medicine, including Complimentary, Integrative, and Alternative methods of care and treatment.

6 [CLINICALTRAILS.GOV](https://clinicaltrials.gov/)

Provides a database of actively recruiting, completed and ongoing clinical studies and offers information on treatments that are being considered for further development.

7 [HEALTHCARE.GOV](https://www.healthcare.gov/)

Administered by the United States DHHS to provide information on marketplace health insurance including how to change from marketplace insurance to Medicaid and how to apply for CHIP (Children's Health Insurance Program.)

8 [UNMC.EDU/LIBRARY/CONSUMER](https://unmc.edu/library/consumer/)

The Consumer Health Information Resource Service (CHIRS) assists Nebraska residents or patients receiving health care in Nebraska, and their families, in finding information on health and wellness topics. Administered by University of Nebraska Medical Center Leon S. McGoogan Health Science Library.
