

GETTING STARTED WITH Reader Zone

Join our reading program with code:

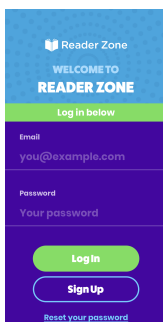

1

GET THE APP

Download the Reader Zone app from Google Play, the App Store or Amazon by searching for "Reader Zone".

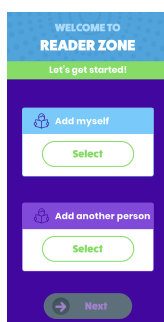

2

SIGN UP

Create your account by clicking "Sign Up". Enter an email address and create a password. Click "Next" to add a reader.

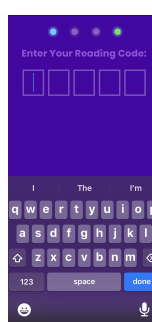

3

ADD A READER

Add yourself or another person as a reader. You can have multiple readers in your account. Add reader names on the next step.

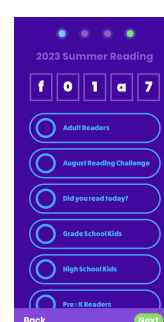

4

ENTER CODE

Enter the 5-character reading program code provided by the school or library.

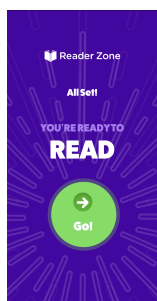

5

JOIN GROUPS/ ACTIVITIES

Select the reading group(s) or activities you wish to join. Required Activities will be pre-selected.

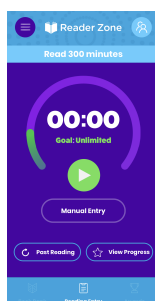

6

CLICK GO!

You're ready to read! Click the "GO" button to start using your account.

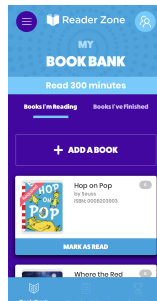

7

READER VIEW

Click "View Reader" to make current and past reading entries, see overall progress and access account options.

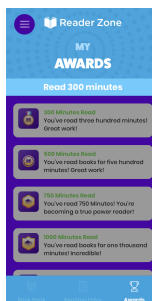

8

BOOK BANK

Click the Book Bank icon to keep track of the books you're reading and have finished.

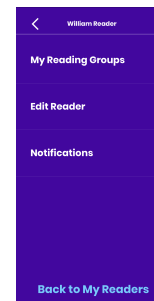

9

AWARDS

Click Awards to view all the badges you've earned and can earn in this reading program.

10

MANAGE ACCOUNT*

Manage all aspects of a reader's account by clicking on the purple menu on the top right.

* On the "Manage Account" screen, you can edit your reading programs and activities, account information and change your language preference for the app. You can add or remove new readers from your account at any time.
