

# Toilet Paper Roll Bird Feeder

## **Materials Needed**

empty toilet paper roll  
peanut butter  
plastic knife  
bird seed  
paper plate  
yarn  
scissors

## **DIRECTIONS:**

1. Spread bird seed onto a paper plate. Set aside.
2. Cut a piece of yarn about 18" long, for each bird feeder and set aside.
3. Use a knife to spread peanut butter on the outside of a toilet paper roll.
4. Roll the toilet paper roll onto the bird seed, pressing gently so the seed sticks to the peanut butter.
5. Tie a string through the roll and hang on a tree for birds to enjoy.

## **How to Use a Toilet Paper Roll Bird Feeder**

First, tie your bird feeder in your back yard or around the camp if you are camping. Then, have your children take pictures and make note of some of the birds that come into your yard/camp. It will be fun and educational to see which birds are most attracted to your toilet paper roll bird feeder.
