

Greenwood Public Library Committee Meeting Minutes

May 4th, 2023

Huetson called the meeting to order at 6pm. Members present were Wrich, Huetson, Risney, Rein, Mandry and Riggs. Open Meeting Act is posted.

Old business:

Board game table that was previously voted on to purchase was out of stock. Will decide on something different to purchase.

The remaining books from the February book drive were brought and sold to Half Price Books, making \$13 for the library.

New Business:

Summer reading schedules have been posted, with scratch off incentives for the kids checking out books.

Rob-See-Co Grant is due at the end of June if we decide to apply, we can use it for books or technology. Any ideas need to be sent to Dani before the end of June so the grant can be written up.

Rein brought up purchasing an XBOX system with controllers for the library instead of the board game table mentioned earlier. A second tv is being donated to the library to be mounted and used with it. Purchase price is \$560. Risney made a motion to approve the purchase of the XBOX. Wrich seconded the motion. Motion passed.

Board Comments & Questions:

None

Next meeting is July 6th at 6pm

Meeting adjourned at 6:25pm
