Sarah's New Adventure

Sarah is moving on from the library after nearly 10 years of service. We couldn't be more grateful for a librarian and director like her!

Sarah began working at the library nearly 10 years ago. Her dedication and passion for books and her community have been demonstrated through her years of commitment to ensuring the highest quality library our community can offer.

Sarah will be greatly missed, but her memory will live on at the library! She always says she is only a phone call away, and we are certain we will be giving her a call.

We wish Sarah the best of luck on her new adventures! We know she will do amazing in any position, as she has done here.
