“They Broke the Law—You Be the Judge: True Cases of Teen Crime” by Thomas A. Jacobs is the book selected for this new teen group discussion meeting!!

Cases will cover topics such as cutting school, shoplifting, threats made in school, fighting, caught with beer in a car, marijuana and much more! This is YOUR group and as a group you will be deciding how often to meet, the time to meet, and a few other unique options!!

Teens often hear about other teens who get into trouble with the law. But they're seldom asked what they think should happen next and why. A unique introduction to the juvenile justice system, *They Broke the Law—You Be the Judge: True Cases of Teen Crime* invites teens to voice their thoughts and opinions over a variety of real-life cases presented in this book.

Teens hear the cases, are presented with sentencing options, voice their opinions in group discussion and then learn what Judge Jacobs actually did in each case and also provides an update regarding that individual and how things turned out.
