

The Shelby Community Library is looking to expand its Friends Group!

Have you ever considered being a “Friend” of the Library? We are looking for people to join us in the Friends group to support our library.

Current activities include the following **but new ideas are encouraged:**

- Help the librarian with National Library Week.
- Help with a monthly Storytime.
- Help with the summer reading program.
- Organize kids activities at the Summer Farmer’s Market.
- Decorate a trunk for the annual Trunk or Treat.

Thank you for your consideration. We hope to hear from you soon!
